NOTICE OF ANNUAL GENERAL MEETING

4

Notice is hereby given that the 47th Annual General Meeting of the Tuggeranong Valley Rugby Union Football Club Incorporated will be held at the Sports Bar, Erindale Vikings Club at 7:00pm on Wednesday 21 November 2018.

NB: Financial Members only will be admitted to the AGM and the doors will be closed at 7:00pm sharp and no further persons will be admitted until after the election of office bearers is completed. As per ACT legislation a list of eligible members is displayed at the TVRUFC Rugby Club Office at Viking Park. All eligible members must ensure they have paid their annual fee by 30 September.

Nomination forms for 2018/2019 Rugby Committee nominees are available on the Vikings Rugby Website or from Rugby Staff at the Rugby Club Office at Viking Park.

Note: Fully completed nomination forms must be received no later than COB (5:00pm) Wednesday 14th November 2018. The nomination form must be lodged in person to the Rugby Office staff before the deadline indicated above at the Rugby Office at Viking Park, 4 Amsinck St, Wanniasa.

Agenda:

1. Call to order

- 1.1 Attendance
- 1.2 Apologies

2. Acceptance of Minutes

- 2.1 Business arising from previous minutes

3. Acceptance of Financial Statements and other Reports

- 3.1 President
- 3.2 Treasurer
- 3.4 Acceptance of 2017 Financial Statements

4. General Business

5. Election of Committee Members

- 5.1 President
- 5.2 Vice-President
- 5.3 Treasurer
- 5.4 Five other Members

6. Close

2017 ANNUAL GENERAL MEETING MINUTES

5

1. CALL TO ORDER

The President Brendan Allardyce opened the meeting at 6:31pm and noted 58 voting members were in attendance, which constitutes a quorum. He called the 45th Annual General Meeting of Tuggeranong Valley Rugby Union Football Club (TVRUFC) Inc to order and thanked the members for their attendance.

1.1 Attendance

Attendance is as per the signed list at the entrance to the Richard Heher Sports Bar.

1.2 Apologies

Apologies received:
Brett Morrissey
Martyn O'Brien
Steve Moore
Peter Chapman
Peter Henry

2. MINUTES OF THE PREVIOUS AGM OF 22 NOVEMBER, 2016.

2.1 Business arising from previous minutes

The minutes located on pages five (5) and six (6) were considered by those in attendance. The acceptance was moved by Josh Hitchens and seconded by Jim Shonk.

There were no questions.

3. 2017 ANNUAL REPORT

Mr Allardyce referred the meeting to his report on page 29. He made mention of the fine line for the results on field, outlining that although the club didn't achieve the number of premierships it wanted, it was still a highly successful season, in which the TVRUFC won the club championship by a large margin and featured all 6 teams in finals. Mr Allardyce attributed the family atmosphere, strong culture, improvement of off field processes and logistics, broadened base of sponsorship, the volunteers and the efforts of Tim Sampson, Lee Boswell and Liam McGrath as instrumental to the TVRUFC's 2017 success. Mr Allardyce mentioned that Steve Moore would not be nominating for Vice-President or for the 2018 committee and commended Mr Moore for his

diligence in the role. Mr Allardyce then spoke of the \$100 000 operating surplus achieved by the TVRUFC, citing several reasons for the achievement. He eluded to the committee's decision to contribute the surplus to programs and initiatives that would provide benefit to all stakeholders of the TVRUFC such as the Player Welfare Fund, Major Tours Fund and Capital Works and Equipment Fund. Mr. Allardyce then suggested that the TVRUFC would forfeit for the next two years (2017-2018 and 2018-2019) any CPI increase on the TVRUSC (Vikings Group) grant as a measure of thanks and goodwill to acknowledge the support of the Vikings Group in a tough operating environment, in particular in relation to gaming revenue. Mr Allardyce thanked Liam McGrath and Ryan Slater for their efforts regarding the TVRUFC's finances.

There were no questions.

3.1 Auditors and Treasurers Report and presentation of the 2016/2017 Financial Report

Mr Slater reiterated Mr Allardyce's comments on the success of the TVRUFC and the financial report. Mr Slater made mention that the \$100 000 surplus achieved would not be a yearly occurrence, due to the current competitive environment of the ACT's sporting clubs and sponsorship. Mr Slater thanked the current sponsors for their continued support, and the licence club for their continued support. Mr Slater commented that he was looking forward to 2018, in which the playing and game day experience would be better for everyone.

There were no questions.

The reports were accepted by Sean Blackmore and seconded by Brett Naylor.

4. GENERAL BUSINESS

4.1 Australian Rugby Recognition

Mr McGrath addressed the floor and requested that the committee move to acknowledgement several TVRUFC players who have recently represented Australia. Mr McGrath asked the committee to undertake public recognition of these players in the club. Mr Allardyce thanked Mr McGrath for his question and acknowledged that this needed to occur.

2017 ANNUAL GENERAL MEETING MINUTES (CONT)

4.2 Honorary Life Membership nominations

Mr Adam addressed the floor and made mention of the limited number of life member inductees from the 1990's to 2010. Mr Adam moved the motion to and spoke in regards to each nomination. The nominations for honorary life membership were Brendan Allardyce, David Assenhiem, Sean Blackmore, Dean Browne, Greg Hayes, Steve Moore, Edward Reed, Daniel Robey and Graham Stripp Per the constitution the nominated life members will be held by ballot and ballot forms were provided by Mr Adam.

Mr Allardyce acknowledged that the TVRUFC had lacked recognition of volunteers across the last few years and supported the nominations.

John McGrath questioned why the honorary life members were to be voted by ballot. Mr Adam responded that the constitution was changed in July 2016, which meant all nominations had to be done by ballot.

Mr McMillan questioned why this was not adhered to last year and it was accepted by the members of the AGM that the process in 2016 was not held in accordance with the constitution but the honorary life member nomination would stand moving forward.

Continued debate from a number of members continued until Mr Allardyce called for calm and someone to second the motion of honorary life members.

Josh Hitchens seconded the motion and moved to have the ballots completed and collected. The nominations required 2/3s of the floor for the yes vote to pass.

Mr Allardyce asked Mr Duncan McMillan, Mr Liam McGrath and Mr Ryne Bowden to count the votes and Mr Anthony Wilson to scrutineer. Ryan Slater informed the members of the AGM that Brendan Allardyce, David Assenhiem, Dean Browne, Greg Hayes, Steve Moore, Edward Reed and Graham Stripp were inducted as honorary life members of the TVRUFC.

5. ELECTION OF COMMITTEE OF 2017

Mr Allardyce advised that Mr Duncan McMillan, Mr Liam McGrath and Mr Ryne Bowden would count votes for the election with Mr Anthony Wilson as scrutineer. Mr Allardyce advised that all positions on the committee were up for election and then stepped down as chair of the meeting.

Mr Slater took over as chair for the President's election.

5.1 President

There was only one nomination for President. Brendan Allardyce was elected as President unopposed.

Mr Allardyce took over as chair following his reappointment as President.

5.2 Vice-President

There was only one nomination for Vice-President. Geoff Adam was elected as Vice-President unopposed.

5.3 Treasurer

There were two nominations for Treasurer, in alphabetical order - Geoff Adam and Ryan Slater. Mr Adam's

nomination was withdrawn following his appointment as Vice-President. Ryan Slater was elected Treasurer.

5.4 Committee Members

There were eight nominations for five committee member positions, in alphabetical order – Geoff Adam, David

Grimmond, Michael Henry, Darren Mullaly, Russell Ott, Duane Petersen, Edward Reed and Stephanie Stewart-Jones. Mr Adam's nomination was withdrawn following his appointment as Vice-President and his name was deleted from the ballot. Six of the seven candidates spoke directly to their nomination and both Mr. Liam McGrath and Mr. Brendan Allardyce spoke of the merit of Mr. Russell Ott in his absence. The members voted and elected in alphabetical order – David Grimmond, Michael Henry, Darren Mullaly, Duane Petersen and Stephanie Stewart-Jones.

Mr Allardyce declared the 45th AGM closed at 7:59pm.

Tuggeranong Valley Rugby Union Football Club Incorporated Year Ended 30 September 2018

Statement by Committee Members

The number of Committee meetings held during the year and the number of meetings attended by each Committee member were as follows:

Name	Role	Attended	Meetings entitled to attend	Total 2018 Meetings Held
Brendan Allardyce (Elect 14/11/2017)	President	12	12	12
Geoff Adam (Elect 14/11/2017)	Vice President	12	12	12
Steve Moore (Res 14/11/2017)	Vice President	1	1	1
Ryan Slater (Elect 14/11/2017)	Treasurer	12	12	12
David Grimmond (Elect 14/11/2017)	Committee Member	11	12	12
Stephanie Stewart-Jones (Elect 14/11/2017)	Committee Member	12	12	12
Duane Petersen (Elect 14/11/2017)	Committee Member	10	12	12
Graham Reed (Res 14/11/2017)	Committee Member	1	1	1
Darren Mullaly (Elect 14/11/2017)	Committee Member	4	11	11
Michael Henry (Elect 14/11/2017)	Committee Member	12	12	12
Callum Smith	Club Captain	9	11	11

The principal activities of the club during the financial year were administering the playing of rugby union football by the club's members. No significant change to these activities occurred during the year.

The club's net surplus for the financial year was \$12,268 (2017: \$104,308 surplus).

Notes to the Financial Statements

Note 1: Corporate information

The financial statements of Tuggeranong Valley Rugby Union Football Club Incorporated (the "Club") for the year ended 30 September 2018 were authorised for issue on 2 November 2018. The Club is an association incorporated in Australia under the *Associations Incorporation Act (ACT) 1991*.

The nature of the operations and principal activities of the Club are described in the "Statement by Committee Members".

Note 2: Summary of Significant Accounting Policies

(a) Basis of Preparation

The financial report is a special purpose financial report which has been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board – Reduced Disclosure Requirement and the *Associations Incorporation Act (ACT) 1991*. The financial report has been prepared on the historical cost basis except for financial assets held for trading which are measured at fair value. The financial report is presented in Australian dollars and all values are rounded to the dollar unless otherwise stated.

b) New Accounting Standards and Interpretations

(i) Changes in accounting policies and disclosures

Management have reviewed the new Accounting Standards and Interpretations that have become applicable for the reporting period ended 30 September 2018 and determined the new Accounting Standards and Interpretations will have no material impact on the reporting requirements and financial statement disclosures of the Club.

(ii) Future Australian accounting standard requirements

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet effective have not been adopted by the Company for the annual reporting period ended 30 September 2018. When adopted, these standards and interpretations are not expected to have a future financial impact on the Club.

c) Cash and Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2018**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

d) Trade and Other Receivables

Trade receivables, which generally have 30-60 days terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for impairment.

Collectability of trade receivables is reviewed on an ongoing basis at an operating level. Individual debts that are known to be uncollectible are written off when identified. An impairment provision is recognised when there is objective evidence that the Club will not be able to collect the receivable. Financial difficulties of the debtor and default payments are considered objective evidence of impairment. The amount of the impairment loss is the receivable carrying amount compared to the present value of estimated future cash flows, discounted at the original effective interest rate.

e) Impairment of Assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

The Club conducts an annual internal review of asset values, which is used as a source of information to assess for any indicators of impairment. External factors, such as changes in expected future processes, technology and economic conditions, are also monitored to assess for indicators of impairment. If any indication of impairment exists, an estimate of the asset's recoverable amount is calculated.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount of property, plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the club would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses are recognised in the statement of comprehensive income.

f) Property, Plant and Equipment

Plant and equipment are carried at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is provided on a straight-line basis over the estimated useful life of the assets as follows:

▪ Equipment	5 years
▪ Scrum Machines	5 years
▪ Gymnasium Gear	5 years
▪ Car	5 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each financial year end.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2018**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

f) Property, Plant and Equipment (continued)

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

g) Trade and Other Payables

Trade payables and other payables are initially recognised at fair value and subsequently measured at amortised cost. These liabilities represent amounts for goods and services provided to the Club prior to the end of the financial year that are unpaid and arise when the Club becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

h) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Grants and sponsorships

Revenue is recognised when the Club's right to receive payment is established.

Sale of Goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Rendering of Services

Where the outcome can be reliably measured:

- control of a right to be compensated for the services has been attained and the stage of completion can be reliably measured.
- revenue from goods and services is recognised by reference to stage of completion. Stage of completion is measured by reference to the right to be compensated for services being attained.

Where the outcome cannot be reliably measured:

- revenue is recognised only to the extent that costs have been incurred.

Interest

Revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2018**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

i) Taxes

Income Tax

As the Club is a non-profit organisation wholly directed towards sporting objectives, the Club is exempt from income tax under current Income Tax legislation, and no provision has been recognised for tax.

Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST except:

- When the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the Statement of Cash Flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority, are classified as operating cash flows. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

j) Inventories

Inventories are valued at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

k) Employee Leave Benefits

Wages, salaries, annual leave and sick leave

Liabilities for wages and salaries, including non-monetary benefits and annual leave expected to be settled within 12 months of the reporting date are recognised in provisions in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

l) Players' Welfare Fund

This account represents a reserve to provide financial assistance for the players' welfare.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2018**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

m) Investments

Investments and financial assets in the scope of AASB 139 *Financial Instruments: Recognition and Measurement* are categorised as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired or originated. Designation is re-evaluated at each reporting date, but there are restrictions on reclassifying to other categories.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of assets not at fair value through profit or loss, directly attributable transaction costs.

Recognition and derecognition

All purchases and sales of financial assets are recognised on the trade date i.e., the date that the Club commits to purchase the asset. Financial assets are derecognised when the right to receive cash flows from the financial assets has expired or when the entity transfers substantially all the risks and rewards of the financial assets. If the entity neither retains nor transfers substantially all of the risks and rewards, it derecognises the asset if it has transferred control of the assets.

Subsequent measurement

(i) Financial assets at fair value through profit or loss

The Club's investment in shares are classified as held for trading and included in the category "financial assets at fair value through profit or loss". Financial assets are classified as held for trading if they are acquired for the purpose of selling in the near term with the intention of making a profit. Gains or losses on financial assets held for trading are recognised in profit or loss and the related assets are classified as current assets in the statement of financial position.

(ii) Available-for-sale financial assets

The Club's investment in a unit trust for the Bunnings Belconnen Site is designated as available-for-sale. After initial recognition available-for sale financial assets are measured at fair value with gains or losses being recognised as other comprehensive income until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is recognised in other operating income.

The fair values of investments that are actively traded in organised financial markets are determined by reference to quoted market bid prices at the close of business on the reporting date. For investments with no active market, fair values are determined using valuation techniques. Such techniques include: using recent arm's length market transactions; reference to the current market value of another instrument that is substantially the same and discounted cash flow analysis; and option pricing models, making as much use of available and supportable market data as possible and keeping judgemental inputs to a minimum.

n) Comparative amounts

Where necessary, the figures for the previous year have been reclassified and repositioned for consistency with current year disclosures.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2018**

Notes to the Financial Statements (continued)

Note 3: Significant accounting judgments, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances, the result of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant and equipment) and turnover policies. In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

Estimation of fair value for available for sale financial assets

The Club has made a significant judgement in the estimation of the fair value of its available for sale financial assets. The available for sale financial assets relate to the Club's investment in a unit trust for the Bunnings Belconnen Site. There is no active market for this investment and the club has made the judgement that independent market advice is the best available evidence of its fair value.

INDEPENDENT AUDITOR'S REPORT TO THE TUGGERANONG VALLEY RUGBY UNION FOOTBALL CLUB INCORPORATED

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of the Tuggeranong Valley Rugby Union Football Club Incorporated (the *Club*), which comprises the statement of financial position as at 30 September 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Statement by Committee Members.

In my opinion the financial report of the Tuggeranong Valley Rugby Union Football Club Incorporated has been prepared in accordance with Australian Accounting Standards and the *Associations Incorporation Act (ACT) 1991*, including:

- a) giving a true and fair view of the Club's financial position as at 30 September 2018 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards and the *Associations Incorporation Act (ACT) 1991*.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Club in accordance with the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants* (the *Code*) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the *Code*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis my opinion.

Responsibilities of Committee for the Financial Report

The Committee of the Club is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Associations Incorporation Act (ACT) 1991*, and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

The Committee is responsible for the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit.

I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Club.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Club regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including when considered necessary any significant deficiencies in internal control that I identify during my audit.

TREASURER'S REPORT

28

As treasurer of the Vikings Rugby Club I have the positive news to report that the club produced another surplus in the 2017/2018 financial year. While not as significant as previous year's the result shows the continued strong frugal mindset of the committee while broadening our current rugby programs with the introduction of the Women's Rugby Academy Program (WRAP) and venturing on the Club's first overseas tour for a number of years.

In 2018, revenue increased by \$130,508 mainly through the increase in sponsorship revenue of \$60,539 partly due to the Club's tour to Singapore, which has been partly offset by the increase in sponsor costs for the year and the collection of player tour fees totalling \$60,282. The club does not expect to see revenue again this high in the 2019 financial year as the club currently has no future tour planned for 2019. The Club's Bunnings investment continues to perform well supplying the club a strong return on investment while the Club's share investments continued to decrease for the third year in a row, although dividends did remain constant with 2017.

The Club did see expenses rise in a few areas in 2018. The medical expenses the Club incurs continues to rise year on year, however the committee sees this as a necessary evil as we continue to provide the best medical policy for amateur sport in Australia. The committee also took the view to provide a provision of \$25,000 as approximately 30% - 40% of all medical claims are processed between November and March each year.

Development costs increased through the introduction of the Women's Rugby Academy Program and the continued costs in supporting and widening our V-Rugby Academy and Wider Training Groups. Other expenses include the total cost of the Singapore tour of \$106,631, without this large expenditure item in other expenses this line item in fact decreased \$42,736 showing the strong financial commitment the committee has in managing the day to day ongoing expenses of the club.

On behalf of the Committee, I would like to thank all our sponsors in particular the licensed club for their continued support and commitment to the Vikings Rugby Club and I trust the performances of the entire playing group has made it worthwhile. It is the support from our sponsors and supporters that allow us to continue to operate in an environment that is one of the best in Australian Rugby in developing and providing pathways for players and coaches at all levels and I look forward to further developing these significant relationships into the future. A special mention must also be made to our new Rugby Manager Ryne Bowden who has settled in nicely and has continued to work closely with all our sponsors to ensure both them and the Rugby Club can continue to benefit by working together.

Ryne has also provided strong assistance within the finance area of the club which has been of great benefit to not only myself but to the overall Club as he handles the club's interests, while also being a strong member of the playing group.

I must also thank Nick Scrivener for his support and efforts since joining the club in March after taking over from Tim Sampson. Nick is a distinguished coach and it goes to show the level of our rugby program that we are able to attract such coaches. The committee not only sees the development of our players a key strategic goal, but also the development of our coaches. With Tim accepting a job with the Western Force and furthering his professional career the committee are pleased that we are able to reach these strategic goals.

Lee Boswell is to be commended for his continued efforts both on and off the field. His job is very demanding with long hours and the playing groups on field performance can be put down to his strong work ethic and management of his training and gym budgets, ensuring the players are always improving year on year. The club is very lucky to have Boz continue with the Club for a few more years to come.

In 2018 the Club made its first overseas tour for a number of years to Singapore, the heart of rugby in Asia. To all the players, rugby staff, additional sponsors and support staff that made this tour possible I thank you very much. A rugby tour not only provides tourists an opportunity to experience a new culture, but it enables a club to form stronger bonds. A special mention must go out to Brendan Allardyce, Ryne Bowden, Peter Chapman, Michael Henry, Matt Wafer and of course Robbie Vejvoda whose countless hours before (and after) the 10 days meant all tourists enjoyed themselves thoroughly.

While it will be difficult to maintain such a strong surplus from year to year I believe the Club is in a very strong financial position as we move forward into 2019. The committee will continue to implement strong fiscal and budgetary controls to ensure further positive outcomes for both on the field and off it.

In closing, I would like to thank the continued support the Rugby Club receives from all the licensed clubs staff members and Directors, all Committee and rugby staff members. It's very fulfilling to reach the end of the financial year and see that the club has not just met budget but also performed extremely well on the field.

Ryan Slater
Treasurer

29

PRESIDENT'S REPORT

What a great season!

Undoubtedly, the lack of tangible silverware in 2017 steered everyone's resolve to 'bring back Johnny' in 2018.

Throughout the long off-season through the sweltering pre-season, to the northern hemisphere tour (Singapore is 137km north of the equator) to a busy trial period and finally the season proper; the whole club worked extremely hard to achieve success in 2018.

Off field, we were a happy and harmonious club that undertook a number of key initiatives:

- A successful overseas tour for over 50 people with a unique three-way funding model
- Phase 1 of improvements and enhancements to the Zoo and Red Army area
- A strategic focus on Women's and Girls rugby development; assisting recruitment, tournaments and Academy programs
- Improved communication, public relations and social media presence – to inform & communicate our club events & messages
- A reconciliation action plan with cultural activity to acknowledge our first Australians and support Aboriginal and Torres Strait Islander players.
- Worked closely with the team at the GingerCloud Foundation to implement the Modified Rugby Program at the Club in 2019 – the first time this program will be run outside of Queensland.

These are all examples of our club being leaders and not followers and initiatives that you should all be proud of.

You reap what you sow, as the saying goes and I am acutely aware of how much sowing was going on in the hope that come August, we could enjoy the finals and reap great results.

Our Coaching Director, Nick Scrivener chartered the way forward with our billboard and progress tracker being visual reminders of our focus and progress. Boots On, CLUB>TEAM>ME, We are one Club and Whatever it Takes were our mantras.

We faced many challenges with injuries and unavailability in 2018 but simply soldiered on with a positive Club first attitude and this shone through.

Our 2018 on field efforts are to be applauded with obvious highlights:

- The Premier Club Championship
- Four (4) Minor Premierships
- Strong Colts Program
- Three (3) key premierships
- ACT Highest try & point scorer
- Along with ACT Nominations for services to rugby, sportsmanship & coach of the year
- All six (6) teams in top 2 & major finals
- All six (6) teams in Grand Finals
- Strong Women's Program
- First Grade John I Dent champions
- ACT Volunteer of the Year

Thank you

We cannot provide one of the best amateur sporting environments in the country without the financial and in-kind support from our sponsor partners. Thank you especially to the Vikings Group and its Directors and their senior management and staff who partner with us closely. To all our sponsors but especially Aristocrat, NCG, Coke, CUB, Commonwealth Motors, Manteena, Clipsal, I-Med Radiology, Canberra Sand & Gravel and Independent Building Solutions, we thank you wholeheartedly and look forward to your continued support.

PRESIDENT'S REPORT (CONT)

30

To all of the rugby committee – you perform a mountain of tireless work behind the scenes. Your collegiality and dedication make things happen. Thank you.

A special mention to Geoff 'Ogre' Adam, who is a fantastic Vice President but also the heart and soul worker bee when it comes to Red Army, catering and the clubs social life. Another special mention to Ryan 'Slats' Slater whose efforts in accounting the clubs finances are beyond superb. At the time of writing, I am pleased to report that our fiscal prudence and good management has continued and again holds the clubs future in good stead, with a positive surplus.

We are incredibly fortunate that our rugby staff are tireless in their pursuit of excellence.

I acknowledge the 2.5 years that Tim 'Sambo' Sampson spent at the club and the wonderful impact he had. Thanks Sambo.

I sincerely thank Nick Scrivener for agreeing to join us and for displaying an incredible work ethic, elite expertise and passion for the club that he loves and for leading us all to the Promised Land. Thanks Scriv.

Lee Boswell is deservedly a much-loved and vital cog in all that the club does and his enthusiasm and drive are inspirational. He gets stuff done. Thanks Bozz.

In just his first year, Ryne Bowden has proven a wonderful whirlwind when it comes to our admin, events, sponsor relationships and communication/social media. Thanks Bowdo.

We continue to be spoilt by the best of the best when it

comes to our Coaches, Managers, Medical staff, Strength & Conditioning Coaches, Trainers and Volunteers. You all make the Vikings rugby experience superb and worth all the cold nights and long days. We can't thank you enough.

To our 180 odd senior players who have shown dedication and commitment above the ordinary, we thank you for working hard, competing with pride and rising to every challenge.

Finally, to all of our partners, children, parents and families – you all allow us to pour so much time and effort into the rugby program and you all support the club so wonderfully – thank you.

In the words of the great rugby poet Peter Fenton, "here amongst the liniment and sweat, I have found my favourite people".

Have a great off-season as we look forward to an even bigger 2019.

**Brendan 'Trendy' Allardyce
Proud President**

RUGBY MANAGER'S REPORT

31

2018 has been a season I won't soon forget – 6 teams in Grand finals, 3 premierships, 4 minor premierships, 1 crazy year. I must admit, it was a little daunting walking into the Rugby Office on my first day late last year – in the weeks leading up to that day, the realization that working for the premier Rugby Club in Australia brought with it a heavy weight of expectation. Thanks to the help of Tim Sampson, Lee Boswell, Brendan Allardyce, Geoff Adam, Ryan Slater and the rest of the Committee, my transition from a naïve player to Rugby Manager was seamless and has resulted in one of the most enjoyable years of my professional career. There were some obvious issues throughout the year and a lot of things that I just needed time to wrap my head around, but I'm thankful for the experience and I'm confident that 2019 will be an even better year than the one that has just passed us.

I must give special thanks to Liam McGrath, my predecessor. Liam left the Rugby Office in a really good place which made those first few weeks so much easier – thank you, Liam, for all your support.

We started Season 2018 with a bang, on a hugely successful tour of Singapore. On this tour, we were joined by our Platinum Sponsors and Partners, who were able to integrate with the playing group in what was a really valuable experience for them. We went 2 from 2 on this tour and had a blast off the field – a special thanks to Schneider Electric, Murray Darling Produce, House of Cars, the Vikings Group, Carlton & United Breweries, Aristocrat, Commonwealth Motors, Coca-Cola, Dowse Projects, NCG Services, Aleseva Consulting and Independent Building Solutions who were our Tour Sponsors.

We are incredibly fortunate to be supported by such a broad team of Sponsors and Partners, who aren't just loyal supporters of the Club, but genuine people with a love for Rugby and Vikings. In 2018, we welcomed back over 20 of our sponsors and partners from 2017. We broadened our Gold and Silver partnerships, welcoming no fewer than 10 new sponsors to the Vikings Family. In a testament to our player's commitment to the Club, we welcomed 12 new Player Sponsors who I look forward to working with more

closely in the future. A special mention must go the way of Dave Maillau and the team at NCG Services, who this year celebrated their 10th year of sponsorship with the Club – thanks Dave, for your passion and commitment to Vikings.

All of our success this year wouldn't be possible without the continued support of our Sponsors and Partners. Thanks to your support, close to 170 players and 50+ support staff will never forget the good times in 2018. I hope you know how greatly appreciated your support is by everyone at the Club. It certainly isn't lost on me the integral role you play in driving Rugby not just at Vikings but in the Tuggeranong community – thank you, for joining us in 2018.

We also enjoyed some fun times as a Community thanks to our diverse Events Calendar. Ladies Day was the biggest I've seen in years and our annual Hagar's (Old Boys) Day was a fitting celebration for the 1998 team who went undefeated 20 years earlier. The OzHarvest Charity Game raised over \$4000 for a fantastic cause and the playing kit donned by 1st Grade will be remembered as one of the Club's most unique. Our Annual Sportsman's Luncheon was a big hit with guest speakers Damien Fleming, Mike Whitney and Huia Edmonds, each of whom had the entire room in stitches with their quick-witted humour. And our Presentation Night was a really special evening at the Canberra Rex Hotel where several very deserved members of our Club were recognised for their enormous contributions on and off the field.

I'd also like to give a special mention to Megan and the team who run the Modified Rugby Program (MRP), a Rugby program for children with learning and perceptual difficulties. We are working closely with the guys at the MRP to get this wonderful program up and running in the ACT, which would make Vikings the first club outside of Queensland to host the initiative. Watch this space!

Some of you may remember that one of the Committee's strategic goals for 2018 was an increased presence on our various digital platforms. I'm pleased to report that our social media presence has increased 154% since November last year and we have a significantly higher amount of traffic on our website and e-newsletter. It is really pleasing that as a Community we are able to engage with one and other

REPORT (CONT)

32

via different streams and that our Club is receiving some deserved exposure locally, nationally and internationally for all our success.

Juggling my role as Rugby Manager as well as a player for this Club has presented some unique challenges – but despite this, there are things I've learnt moving from my role as a player to an official Club role that I've truly come to appreciate. The amount of work our volunteers and support staff team put in behind the scenes for trainings, game day and everything in between is invaluable – thank you, to all of you (whom there are far too many to name!) for working so closely with me in 2018 and for making sure we never missed a beat.

To Trendy, Geoff and Slats – the amount of support you have provided me this year has been fantastic. Your passion for Vikings, it's players, and its extended network is admirable and I hope that in years to come I can emulate the same level of tenacity you have for the Club's success. Thank you for helping me get the most out of my time here.

To the Committee – thank you for your work behind the scenes and your constant support despite your own commitments. I've had a lot of fun working with each of you this year and your ideas and initiatives are always welcomed and appreciated.

To Scriv and Bozzy – it would certainly make for a sour old time if we didn't get along. I'm very appreciative that I've been given the opportunity to work alongside two very professional and skilled people and I look forward to learning more from both of you, and continuing the more often than not hideous banter that gets thrown around.

To the players, my mates – good on you. What a year. What we were able to create this year in terms of culture and mateship has set the base for all current and future Vikings. Thanks for being determined, passionate, resilient and for putting your hand up, not out.

Thanks for a great 2018, see you all in 2019.

Ryne Bowden
2018 Rugby Manager

DEVELOPMENT OFFICER'S REPORT

34

Looking back now after such a fruitful season you can see the ripple effect of what good vibes can do for a club's success! With a large portion of our Colts group from 2017 entering into grade and the new fresh faces adopting the same hardworking ethos previously set down by our Academy and WTG groups, it is easy now to see why our Club has achieved such great things in the 2018 season.

We saw some of our bright future local 18s talent mix it in our Academy training sessions, and the growth in their maturity both as rugby players and as people was an awesome thing to watch. This is a promising sign for our programmes and our senior club.

The foundations that our Rugby programmes are able to lay down for not only our school level participants but everyone through our club from the first division players to colts and into 1st grade and above continue to pay dividends with players being selected into representative sides or selection into higher grades within our club.

JUNIORS

At a Junior level we continue to be the strongest represented club side in the ACTJRU competition, we are the only club including schools with all age groups from U7s to U18s represented. With just above 150 registered juniors we field 19 teams, 4 of these age groups have multiple teams.

By the back end of the year 15 of our 19 teams were successful enough to make the first week of the semi's, 3 were able to progress to the big dance, and our U14s girls team were successful on the day.

This year we have also seen a great growth in our junior girls' competitions and within our club. Through the year these teams have been ably lead by John Piri, Justin Annetts and Andrew Henderson and their respective managers, a special mention to Julie Kisona Smith and Anthony Walker for their efforts in supporting our girls' divisions.

A big thanks must go to not only Andrew Henderson and his fantastic committee but to all of the coaches, managers,

first aiders, parents and supporters who give their time and efforts towards building and providing such a great place for our kids to belong to, to have a place that is positive and passionate.

SCHOOLS

The aim this year was to cement Rugby into more schools not only just in limited visits but into weekly and fortnightly visits. The Erindale Rugby TSP continues to be a great partnership with 80% of the team involved in our U18s squad this year. The work that Mark Armstrong and Dan Hawke put into these young athletes is of great benefit for their development and ability to play and perform better in rugby.

This year I was able to cement a fortnightly spot at the McKillop senior campus working alongside Dominic Lenarduzzi with the Yr. 10,11 and 12 groups in their PE Pathways programme. We have some good representation of both boys and girls from McKillop playing in our junior teams.

Denzil Fox and Tim Talua-Macarthur have again been very kind in seeking the resources we are able to provide in assisting with their S&C programme for their 1st and 2nd XV teams at St Edmunds College.

Wanniassa High have been a great addition to my weekly visits. This is a new venture for Wanniassa high who are looking to offer a sporting pathway for local kids in a few chosen sports with Rugby being one of them. With the focus on funnelling sporting kids into the Erindale TSP programmes this is a great opportunity to coach some new faces that are interested in rugby and expose them to not only a great programme but our junior's system.

Along with these weekly visits I have also been able to work a little closer with some of the new faces at the Brumbies, with their development officers opening up a few more rugby clinics and opportunities in the Valley schools.

REPORT (CONT)

35

RUGBY PROGRAMMES

Our Junior Rugby programmes continue to be a great way to give our young Vikings the chance to develop their rugby skills and have engagement over the off season. By meeting new players, parents and coaches we are laying great foundations for our pathways system. Kids and parents are engaged with where and who they belong to, the idea that they can continue to belong to a family after their junior years, and the opportunity to better themselves as a player will continue to feed our senior ranks.

Over the summer months we can have up to 80 players a week participating in our rugby programmes, from the U14s JDS to the U16s girls JDS into our flagship rugby programme the V-Rugby Academy.

These programmes are not able to run without the support of some very passionate people. I'd like to start with a thankyou to some folks like Justin Annetts, Peter Hawke, Amani Ati and Andrew Henderson for their work with the JDS, Albert Mahanga and Richard Locke for their commitment and expertise with the Academy and WTG. And most importantly our programmes sponsor NCG Services, who continually support these ventures that play a large part in our off and on field success.

These programmes are a great passion of mine and I will continually look to better any opportunities that we can give any person that wants to pull on a Vikings jumper!

REPRESENTATIVE HONOURS

Once again, we have seen a large number of our senior and juniors selected for higher representative honours, players that have progressed through our pathways system.

From our U18s we saw Reece Chin, Daryl Bailey and John Madjaga selected for the ACT schoolboys' squad. All three lads represented our state, club and themselves with great distinction.

At Junior Wallabies level the club were very proud to watch Ryan Loneran and Len Ikatau represent Australia at the JRWC in France, with Ryan having the captaincy bestowed on him.

Whilst in the Brumbies U19s squad we have a strong representation of this year's colts' team. John Madjaga, Lachlan Loneran, Cooper Taekata, Jack Wright, Seamus Smith, Noah Lolesio, Billy Carberry and Turi Hides should all be congratulated for a stellar first year in senior rugby, "Well done lads".

To our young Ladies how participated in junior representative trials for selection in the ACT schoolgirls squad, well done on your efforts and we look forward to supporting you again next year.

And lastly, I would like to again thank the Committee, for their continued faith and support for me in this role. I take it as a blessing to spread the word of Rugby amongst the Valley community and to have the honour to represent the club that I love so dearly. To work across the country in search of players that are looking for not just a Rugby Club, but a place to call home to feel welcomed from the first minute they enter Viking Park.

To our former coaching director Tim Sampson for his guidance and direction for all of our rugby programmes and his friendship. To Bowdo, who has brought a new and fresh tweak to a very demanding role, I look forward to more great times bud. And to our new coaching director Nick Scrivener who has given me another level to strive for, his professionalism, extensive knowledge and experience will bring a new era for this GREAT CLUB!

I look forward to the great vibes we will set in motion for the coming 2019 season.

Hooroo!!

COACHING DIRECTOR REPORT

38

Pre season 2018 was a time of transition as Tim Sampson departed at short notice after 2 years at the Club. Fortunately, the Committee were extremely proactive and put some plans in place that made the transition from Tim to me being appointed Coaching Director/1st Grade head Coach as smooth as it could be. I would personally like to thank Tim for his assistance and patience in making the handover seamless.

The highlight of the pre season was the tour to Singapore. The two game tour provided all players and staff a unique rugby/life experience and forged bonds that would serve us well later in the year. It cannot be overstated how important tours are for a rugby club. The tour also provided an ideal window where Tim Sampson could effectively do a handover and provided me with an ideal opportunity to spend time with the players and get a feel for how the club operates. We were able to set down some goals and most importantly identify the cultural elements which would define our club in 2018 and beyond.

The focus this year was the notion of 'one club', that everyone was valued and every player and every team had an important role to make the club as good as it could be. While club spirit cannot always have a tangible measurement, I think the philosophy of "Club, Team, Me" stood us in good stead when we were under pressure and played a crucial part in the on field success of the club.

In terms of results, 2018 was most certainly a season to be proud of. In particular, winning the Club Championship again was a tremendous achievement. This is a trophy that is cherished by the Tuggeranong Vikings as it literally recognises us as being THE BEST club – it recognises excellence across our grades and the contribution of everyone. In addition, having four teams win minor premierships, every grade in the grand final and three premierships is an outstanding achievement. The Vi-Queens and Colts were worthy premiers and capped off undefeated seasons, a fantastic achievement. 1st grade returned the John I Dent trophy to the Valley with a dominant victory over long time rivals Royals.

SUPPORT STAFF

Vikings rugby is extremely fortunate to have an army of support staff that would be the envy of any club in the country. To all the team coaches, specialist coaches, managers, assistant managers and other support staff, a huge thankyou

for your tireless work and dedication. Running a successful rugby club requires a huge personal investment by many people and the efforts of all our support staff was simply outstanding.

STRENGTH AND CONDITIONING

The strength and conditioning program at Vikings is a significant factor in the overall success at the club. Our players are well prepared and given every opportunity to maximise their physical development. Lee Boswell was in charge of the Strength and Conditioning program throughout the off season, pre season and in season phases. Lee was ably supported by Richard Lock and Albert Mahanga. An enormous amount of work is put in by Lee in assessing workloads, interpreting GPS data and programming the various strength phases throughout the season – all to get our players in the best shape they can be in the big games. In addition, the work of Richard and Albert in the rehabilitation of injured players and also providing skills coaching for the lower grades was greatly appreciated by everyone.

MEDICAL STAFF

In particular, I would like to recognize the role that our medical team – Dr Peter Cole and Head Physiotherapist Kate Hattley played this year. The Club faced an unprecedented injury list this year which would have crippled most clubs. The work done by our medical team in diagnosing, treating and rehabilitating our players was first class. While Dr Cole and Kate were away intermittently during the year, Dr Ewen Bradbury and Felicity Middleton filled the breach and our program did not skip a beat. The return of vastly experienced sports trainers Damien Davies and Andrew Glew to the club was great to see and a great addition to our program. Additionally, sports trainers Peter Hawke and Colleen Gould provided excellent medical support while Rob Gillespie worked alongside Kate and Felicity. Our medical staff and medical procedures are the envy of any sporting organisation.

RUGBY STAFF

I would like to recognise the assistance and guidance that Lee Boswell and Ryne Bowden gave me this year. In particular, the assistance they gave me when I first started in terms of educating me in the various policies and procedures of the

REPORT (CONT)

39

club was greatly appreciated. The hard work Lee and Ryne put in behind the scenes to keep Vikings running efficiently is a testament to their professionalism and dedication to our rugby club. The application to so many different tasks and flexibility to deal with the many unexpected challenges that arise on a day to day basis is crucial to making our club the best it can be.

SPONSORS

To all of our sponsors, thank you. The quality of our rugby programs and the success of the club this year simply wouldn't happen without the assistance of our sponsors. We are fortunate at Vikings that our partners are more than financial partners, they care deeply about the club and are a very important part of the Vikings family. On behalf of all of us at Vikings, a very big thank you again and we look forward to continuing these relationships.

1ST GRADE

I would like to thank forwards coach Gareth Clouston, who did an outstanding job. His input, technical knowledge and commitment to our team was crucial. In addition, the work of Bryce McNicol as defence coach was detailed, relevant and appreciated by all.

Greg Hayes as team Manager in his 11th season was again meticulous in everything he did and ensured the players had to worry about nothing but performing on the field. Haysey plays a significant role in our club not only with 1st grade, but guiding others throughout the grades and ensuring nothing is left to chance. Haysey was joined this year by Rory McQuinn, who has been a long time servant of our club. I would like to thank Haysey and Rory for their unwavering commitment, meticulous preparation and guidance.

Isaac Thompson was welcomed back to the club from Japan and was appointed captain of 1st grade. Unfortunately Isaac was injured and missed the finals, with Callum Smith stepping up to take on the captaincy duties. I would like to thank Isaac in particular for leading the squad, he was insightful, calming and his experience was telling.

Season 2018 saw a number of 1st grade debutants. The number of injuries presented the coaches with an opportunity to expose many young players to 1st grade. In all, 46 players took the field in 1st grade and 14 colts eligible players played 1st grade this year. The 1st grade premiership was truly a club effort.

I was hugely proud of the effort of the 1st grade squad this year. In winning the minor premiership and then the John I Dent Trophy, they cemented themselves as one of our great 1st grade teams. In particular, the rugby they played in the finals campaign was outstanding. We are judged by many outside the club how our 1st grade team performs, with that comes expectation and pressure. As did all those players to wear a 1st grade jumper at this club who came before them, the team this year has left a tremendous legacy for those who come next.

It was an honour and privilege to coach at the club this year. Our playing group are extremely dedicated and sacrifice so much for our club and it has been the highlight of my year getting to know them on and off the field and working with them all. It has been extremely satisfying to see the players develop and for all our teams to have 'Boots On' at the business end of the season.

I would like to thank the Committee for their support. In particular, I would like to thank the President Brendan Allardyce, who's advice and personal support cannot be underestimated, thank you.

Lastly, we look forward to next season, it will be upon us quickly. We will strive to improve everything we do to make being involved with the Tuggeranong Vikings a wonderful and rewarding experience for players, staff, sponsors and supporters. We will be relentless in our pursuit of excellence and I look forward to working with everyone to ensure our players have BOOTS ON again at the end of the 2019 season.

Go Vikings - Club, Team, Me.

Nick Scrivener

2ND GRADE REPORT

41

2018 was a year of real ups and downs for reserve grade. Throughout the season and at times even within a single match, the team could be capable of some incredible play and look unbeatable and then just as quickly make some unfortunate errors. Unfortunately, in the last game of the year, nothing at all went right for the team. This was a group with great talent and commitment and they deserved better than the end result. Hopefully this talented bunch can take some lessons and resolve out of the final game and come back better and hungry for success.

Throughout the 2018 season, the club as a whole has suffered a huge volume of injuries and unavailability and this no doubt had an impact on the outcome of the season. There was never a week where the same 15 players turned out for the team, which makes it incredibly difficult to form combinations and practice game plans effectively. To their great credit, all of the boys who played in the team throughout the year gave it everything, never complained and showed great commitment to training and playing together and for the club. I was really proud to be a part of the team and I thank each and every player who represented the team throughout the year. In particular, this season saw a number of colts playing regular roles with reserve grade and acquitting themselves like veterans. In particular, Riley Turner, Turi Hides and Cooper Taekata who spent most of the year with us and never looked out of place, thank you for all of your efforts and congratulations on a great season.

There were a number of great highlights throughout the year and exceptional performances. In particular the efforts in the major semifinal and the preliminary final were outstanding. Had it not been for a refereeing mistake, the boys would have advanced to the grand final after a fantastic major semi-final that included some spectacular attacking rugby. Following up the heartbreak of a

1-point loss and needing to play again to get back to where you should be is a big ask. Coming from behind to win after the bell is even more special. Winning the final two scrums against the feed of the preliminary final and those last few minutes chasing the game were incredible and I'm sure it will live long in the memories of the players and others like me who applauded. Not only was it exhilarating to win in that way, but it was as gutsy as it gets and showed what the team were capable of.

Thank you to all of the support staff across the club who work tirelessly to make a season a success. For the twos, thank you especially to Peter Chapman and Ian Chatten for all of your hard work managing the team and me. It is often a thankless task, but the team would be lost without you and I appreciate everything that you do and apologise for all of my rants on the radio. To David Grimmond and Ryan Slater who coached the team superbly throughout the year thank you for all of your help. To all of the players, thank you again for your efforts. I wish all of you great success and look forward to watching your progress over the coming years.

Bryce McNicol
2nd Grade Coach

COLTS REPORT

What a Team!

The 2018 Colts cohort and their exploits will long be remembered. They were a superb team that managed an undefeated premiership whilst supporting the whole club and being all round good guys.

The Colts embraced the club philosophy of CLUB>TEAM>ME and rather than be cocooned together, dispersed and shared their talents with all of the club's men's teams. Many Colts were exposed to Premier 1st and 2nd Grade rugby and acquitted themselves well, thankful of the developmental opportunity and many others gladly played 3rd or 4th grade to have a game of footy, mix it with old heads and help the club out. It was a selfless approach from a special group who would often then lead the charge in the social stakes afterwards in the zoo (and beyond).

Our strength was the large squad approach with the notion that if we had a player down (injured or in a higher grade) then another would step up and this served us well, especially in the first half of the year when we would often go into games with only 16 or 17 players available. Some of our performances in the first half of the season were full of grit and a preparedness to roll the sleeves up, attack the opposition and get the result, no matter who took the field.

We used many quirky and silly catch cries during the season but the ones that were followed most closely included the Melbourne storm doctrine of "Work harder than your opponent and do the simple things well" and "The hungry dog gets the bone". Pleasingly all players committed to working hard whilst displaying great enthusiasm to training and playing.

STATS FILE

33 players in squad 13 x Vikings juniors, 9 x Marist College, 4 x St. Edmund's College, 5 x NSW Country, 1 x PNG and 1 x Qld

18 x second year Colts (U20) and 15 x first year Colts (U19)

10 of the 33 made debuts in Premier 1st Grade & 27 of them debuted in Premier 2nd Grade

16 Games 15 wins and 1 draw

Points for 646 Points against 199
Points Game average 40 - 12

Best performed team in Colts comp across ALL team metrics
Best Attack (tries scored), Best Defence (tries conceded), Least Turnovers conceded, Most turnovers gained, Set Piece accuracy, Points from Counter, Kicking, etc.

The season highlights included:

- Undefeated Minor and Major Premiers
- Erasing the disappointment of the 2017 Colts finals exit
- Having a dominant scrum for the entire season (through undertaking extra training)
- Playing against our closest rival the very strong Qbyn Whites Colts on no less than 5 occasions and never losing to them
- Providing so many developmental opportunities for Colts to regularly play Premier 2nd grade and bench for Premier 1st Grade and also supporting 3rd and 4th Grade with players.

REPORT (CONT)

Our team awards were hotly contested but congratulations to the worthy recipients:

Coaches Award – Angus 'Monte' Burns was a dominant performer at Tight Head Prop and one of our best and most consistent at both trainings and games. Scoring a try in his 1st Grade debut in the finals highlighted a fantastic first season with the club.

Players Player – Billy Carberry was the heart of the team and displayed an intensity for all to follow at inside centre. He was fast, tough, brave and accurate, also making a 1st grade debut as a reward for an outstanding Colts season.

Best and Fairest – Seamus Smith was the Captain of the team and showed a maturity beyond his years to perform at a level above Colts week in and week out from scrumhalf. Seamus has an ability to read games, communicate well and oozes skill and speed. He played lots of 1st grade to display his enormous potential.

Thank you

The whole squad were likeable and coachable but a special thanks to players who were truly selfless, with a club first attitude during the finals; for example, Ben Gillespie who played a great finals campaign in 3rd Grade and Cooper Taketa who played so well he was required to stay in 2nd Grade. These two (amongst others), contributed hugely to the Colts Premiership.

To the Colts coaching panel – It was a pleasure to work with Club legends Duane Peterson and Beau Mokotupu again and to add another legend in Lix Lealifano really made it a special season. Lix displayed a great aptitude for coaching and the players appreciated his hard work, technical input and sense of humour. Well done gents.

An old mate and mentor in Graham Reed came on board in 2018 with one mission, "make us the dominant scrum in the Colts competition". As expected Reedy exceeded his brief and added a level of 'old school' toughness to the Colts pack. Thanks mate.

Dazz Mullaly won his second premiership in the last three years as the team manager and despite his workload and other commitments was there for the players looking after every minute detail. Dazz was ably assisted by Dean Browne (Lic Club Director and Rugby Club Life Member) who gave up his time to help on game days. Alex Stone volunteered his time and effort at both trainings and game days to set up training, sort logistics, run water or help generally and his efforts combined to the usual selfless help from Liam Warcaba ensured the colts team were spoilt for support. Overseeing all of this and always happy to help whenever needed was Greg Hayes (1st Grade Manager and Life Member). Thanks so much men.

As always, thanks to Scriv, Bozz, Gareth and all the other coaches as well as the S&C staff, to Doc and Kate and to all the medical staff and especially to Damien Davies. DD was always around Colts happy to cover us as our medic and runner.

An enjoyable and memorable season – well done all.

"Put more Colts on!"

Brendan 'Trendy' Allardyce
Colts Coach

3RD GRADE REPORT

The first division first grade team started the year with very healthy numbers for the training group, most of whom were returning players from 2017.

Where most of those senior players had worked with each other throughout the last season to an excellent effect, the result left the sense of unfinished business.

As a result, the entire training group from 1st and 2nd division (in 1st grade) took a decision that they intended to train with a higher level of focus, to improve basics and club patterns, and to ask for direct training from club staff associated with the higher-grade teams when available.

As a result, the attitude at training on Tuesday and Thursday nights early in the season was to a much higher standard than in previous years. There was clear communication between players and the coaches – Robbie Vejvoda and Gavin Sinclair allowing better coordination of training and a steady improvement in skills in the early weeks.

Once the season started there were mixed results early on. The first five rounds were tough resulting in a loss, two draws and two hard fought wins.

However, the next five weeks saw steady improvement following hard work and high levels of commitment from the team. Results reflected the effort with four decisive wins against high performing local teams and a single loss in an away game to Young.

The final five rounds of the main season saw further improvement as the team built on early confidence combined with the benefits of consistent training. The season for 3rd Grade was complicated by having numerous players sent

to higher grades both as a result of injury, but also due to solid performance on the field. Notably Richard Joyes and Sam Gunning both ended up in higher grades staying there for large parts of the season allowing opportunities for other players in the squad. The depth of talent evident in the improving results in the latter part of the season.

These final rounds saw a clean sweep of wins for Vikings 3rd Grade culminating in a solid win in the Semi-Final against ADFA, one of those teams 3rd Grade had drawn with early in the season. Heading into the grand-final 3rd Grade had a strong team and played a high quality, tightly fought game that came down to the wire. Disappointingly a score to ADFA in the final minutes of the game resulted in a 2-point loss.

This was the second time in two years 3rd Grade ended second, however the standard of the playing group through the year had remained of a high quality. This was shown by the final results and the willingness of each player to step up at need should be commended.

The efforts of both coaches, in addition to the training staff made available by the club all contributed to the strong result and was appreciated on a weekly basis by the squad. The improvement in the team throughout the year is a testament to their efforts.

Robbie Vejvoda 3rd Grade Coach

4TH GRADE REPORT

This year, as always saw a very different fourth grade team taking the field for Vikings in the First div Second Grade competition. Not only did we survive my first year as captain coach, but we also welcomed and welcomed back a plethora of players. We counted ex First Graders, Brumbies and Internationally capped players amongst our ranks, as well as those with far less experience. We strung together some great wins and managed to get ourselves the Minor Premiership.

The year started slowly with many of the more experienced players taking an extended approach to the preseason break. Although we did lose the first two games of the season this gave opportunities to new players to have a crack in what turned out to be a closely contested competition. We gained momentum throughout the season despite the ever changing roster of players and ended the regular season with an 11-3 win loss ratio.

Highlights for the year were many but included the return, even if only briefly for some, of our cross fitting finatics Kai Brownlie, Josh Birch and Sven Baker who showed they certainly still have it. Isaac "Big Red" Heslop's self nomination as captain in only his second senior game for the club and subsequent yellow card left players around him, including those with hundreds of games of experience, a little confused but entertained. The heroic actions of a senior player scoring three separate hattricks in games when his team needed him and his humble acceptance of his clubmates accolades will obviously go down in history. But all of these things pale in comparison to the rousing halftime advice and ability to wear a bumbag of one Kaleb "Cadbury" Dalla Costa, who was undoubtedly the breakout star of the season.

Despite the good times had throughout the year the finals didn't quite go to plan for us. We were beaten by RMC in the Major semi and had to play elimination football from then on out. A win in a close and physical game against the Whites got us through to the big dance but we were once again unable to get the better of RMC when we got there. 7 points was all there was in it at the end of a long season which, while disappointing, showed just how close we came this year.

I would like to take this opportunity to thank some of the people who made this season possible. All of the players I had the fortune of playing alongside this year, whether you were on the field at the final whistle or not your contribution to this excellent season is much appreciated. The coaching and management staff at Vikings both paid and volunteered, your effort each week makes us the powerhouse we are and I thank you for it. In particular I would like to thank Roger Piggot who came down to help me out as a manager and did a fantastic job, especially with his allocation of points each weekend, and Ryan Slater who stepped in when I was otherwise engaged. To the Medical staff, thank you for holding my team and especially myself together throughout the year, I literally couldn't do it without you. Finally to all the Fourth Grade wives, partners and families, especially mine, who put up with us going missing on Saturdays, hangovers on Sundays and broken bodies throughout the week.

Thanks for a cracking year and see you all when they stop doing 3km trials at preseason. Bigger and better next year.

Grant Lukins
4th Grade Coach

VI-QUEENS REPORT

50

Our Vi-Queens 2018 season portrayed all the hallmarks of the perfect season, by winning every game during the regular rounds to win the 2018 A.C.T Women's Rugby Competition Grand Final.

Since the last premiership in 2010 and the heart ache of 3 consecutive grand finals defeats in recent years, our Vi-Queens showed enough resolve to go out and recruit new players which brought in much needed experience and speed to give the squad a balanced playing roster.

We commenced preseason with a good program to develop our core skills set and game knowledge that was matched with an enthusiastic work ethic that in turn, created the catalyst for the "Perfect season" to unfold.

Our first round 116-0 victory over Gungahlin was well beyond our expectations but highlighted how our new attacking and defensive structures were on point. This was to be repeated with more high scoring games during the rest of the season, with the Vi-Queens averaging a "for and against" ratio of 61-4 per game.

Winning through the Preliminary Semi-final with a 29-17 comprehensive win against the Uni Norths Owls our Vi-Queens progressed into the grand final. The 32-8 grand final victory over Uni Norths was to be a bitter sweet for the majority of the squad, who endured a long break between premierships with celebrations resonating for days on end.

During the season we introduced a development program with our Vikings Juniors, where girls from under 14-18's trained every Tuesday from April-June with our senior squad in developing their skills and bonding with our seniors.

This year we established a relationship with the AFP womens rugby squad who trained on Tuesdays with our Vi-Queens that has resulted in recruiting some AFP players into our 2019 squad.

It was pleasing to see a number of our players, Peta Cox, Tayla Stanford, Shellie Milward, Michaela Leonard and Remi Wilton be included into the Wallaroos development programs which highlights how our club continues to provide the right platform for player development.

Coaching this amazing group of ladies couldn't have been achieved without the support from fellow coach Geoff Adams, team manager Peta Leddy and sports trainer Colleen Gould who I gratefully thank for their efforts during the season.

Personally I like to thank Nick Scrivener, Brendan Allardyce, Ryne Bowden for their continued support and mentoring, but importantly I like to thank all our Vi-Queens for allowing me the opportunity to enhance their lives through our great game.

Peter Hawke
Vi-Queens Coach

JUNIOR PRESIDENT'S REPORT

58

With the blink of an eye the rugby season has passed us by. Another fantastic year at the Vikings Junior Rugby club is coming to an end and it's time to reflect on all that has happened. 20 Vikings teams took to the paddock from our little champs in Under 7s through to our young men in Under 18s and the inclusion of 3 teams in our expanding Girls competition in the Under 14, 16 and 18 age groups.

Once again the challenge of the ACT Junior Rugby Union season was met with vigour and determination by our teams. A tough competition for some, others seemingly crushing through the regular season rounds we had the majority of our teams competing in the top division of their respective age groups; a couple being relegated at the mid-season break but most holding strong and competing well throughout the year. Of the 15 teams eligible for finals we had 10 make it through to the semi-finals, a tough day at Gowrie saw 3 of the teams advancing to their age division grand finals. The Under 11s started our grand final weekend off with a dominant display in the division 2 final winning 19 nil against Gungahlin Eagles. Followed by an impressive display of rugby by our all-conquering Under 14 Girls team completing an undefeated season against the Cooma/Far South Coast team 45-19. The Under 18s were our final team to feature on the grand final weekend and put up a valiant fight but fell short by a converted try, going down to St Edmunds 33-26.

From a club perspective the year, as always, has had its challenges, and once again a small group of dedicated committee members have allowed for the season to be as successful as it was. Some of the clubs' initiatives of note were the Gala Day in April which continues to grow and is anticipated by most clubs in Canberra and the surrounding regions as a great chance to shake off the cobwebs and get out on the paddock. Our First Aid program has influenced the ACTJRU to adopt our first aider per team mindset and continue to look to Vikings in leading this crucial

aspect of our game and once again saw our team represent at the ACT Junior Rugby grand final weekend. The "Smarties" Trivia Night was a great social event and fundraising opportunity for the club and was spearheaded by a number of our dedicated committee members.

The club has been well supported by the Vikings Group and Vikings senior rugby club along with our major sponsors McDonald's Erindale, CFR Electrical and Makwara Solutions. Also receiving support from Canberra Containers, Own-it Finance, Callida Consulting, Michael Thompson Photography, The Firm and our awesome coffee lady Anna Gatdula with Coffee Loco. The monies received through our sponsorship allow us to keep player fees at an affordable level and keep rugby a viable option for kids sport for all families and is greatly appreciated!

In keeping with our community minded focus and generous spirit, the junior club devoted its fundraising focus to the Ronald McDonald House Charity this year and through a number of initiatives managed to raise a considerable amount of money to assist this worthy charity.

A big thanks goes to the Vikings premier rugby club committee and staff for assisting us in coaching and player development, as well as their involvement in behind the scenes movements within the club. In particular, I'd like to thank Brendan Allardyce and Ryne Bowden and Blake Henman for their insight and support at the committee level, as well as Nick Scrivener and Lee Boswell for their efforts with the ever expanding Junior Development Squad program and support for our coaches and all the senior players who took time out of their busy schedules to help out with our teams whether it was attending a training session or supporting at the games, your support is invaluable for our impressionable players and greatly appreciated by all.

REPORT (CONT)

59

To all those who have assisted and contributed to this great club of ours in all aspects of the club from cooking the bbq or setting up and packing down the fields to coordinating major events, our amazing team officials who provide first aid, team management and coaching for our teams or to the few but fierce group of champions who have taken on the crucial committee roles, a massive thank you is owed to you all and know that this year would never be the success it has been without your tireless and diligent efforts. Special mention to our committee members; Anthony Davies - MC extraordinaire and my right hand man, Melinda Davies - our website design and Facebook guru, Fiona Lonergan - a tireless secretary and fantastic trivia night coordinator, Casey Yarred - registrar, team manager and all round busy woman, Jenny Shillabeer - our indigenous player support, Christian Lawson - coach coordinator and team support, Amanda Hunter - our tireless canteen manager, Stephen Campbell - spearheading the trophy and yearbook challenges, Bruce and Sandi Grant for their amazing efforts across every aspect of the club including merchandise, managing the managers and overseeing all our financial movements and major sponsors of the club through their CFR Electrical business and my wife Toafa Henderson, our first aid coordinator and my saving grace. You are all amazing people and have given above and beyond what is expected and our club is lucky to have you all leading the way for Vikings Junior Rugby!

Looking forward to a bigger and better 2019 with the mighty Vikings, registrations opening early February! Tell your friends and get amongst it, it's going to be great. Go you mighty Vikings!!

Yours in rugby,

Andrew Henderson
President 2018
