NOTICE OF ANNUAL GENERAL MEETING

4

Notice is hereby given that the 48th Annual General Meeting of the Tuggeranong Valley Rugby Union Football Club Incorporated will be held at the Sports Bar, Erindale Vikings Club at 7:00pm on Tuesday 19th November 2019.

NB: Financial Members only will be admitted to the AGM and the doors will be closed at 7:00pm sharp and no further persons will be admitted until after the election of office bearers is completed. As per ACT legislation a list of eligible members is displayed at the TVRUFC Rugby Club Office at Viking Park. All eligible members must ensure they have paid their annual fee by 30 September.

Nomination forms for 2019/2020 Rugby Committee nominees are available on the Vikings Rugby Website or from Rugby Staff at the Rugby Club Office at Viking Park.

Note: Fully completed nomination forms must be received no later than COB (5:00pm) Tuesday 12th November 2019. The nomination form must be lodged in person to the Rugby Office staff before the deadline indicated above at the Rugby Office at Viking Park, 4 Amsinck St, Wanniasa.

Agenda:

1. Call to order

- 1.1 Attendance
- 1.2 Apologies

2. Acceptance of Minutes

- 2.1 Business arising from previous minutes

3. Acceptance of Financial Statements and other Reports

- 3.1 President
- 3.2 Treasurer
- 3.4 Acceptance of 2018/2019 Financial Statements

4. General Business

5. Election of Committee Members

- 5.1 President
- 5.2 Vice-President
- 5.3 Treasurer
- 5.4 Five other Members

6. Close

2018 ANNUAL GENERAL MEETING MINUTES

1. CALL TO ORDER

The President Brendan Allardyce opened the meeting at 7:05pm and noted 48 voting members were in attendance, which constitutes a quorum. He called the 47th Annual General Meeting (AGM) of the Tuggeranong Valley Rugby Union Football Club (TVRUFC) Inc to order and thanked the members for their attendance. Mr Allardyce noted that Mr Ryne Bowden and Mr Lee Boswell would act as counters for any official votes of the 47th AGM, with Mr Graham Stripp to act as scrutineer.

1.1 Attendance

Attendance is as per the signed list at the entrance to the Richard Heher Sports Bar.

1.2 Apologies

Apologies received:
Mr Steven Moore
Mr Duncan McMillan

2. MINUTES OF THE PREVIOUS AGM OF 21ST NOVEMBER, 2018

2.1 Business arising from previous minutes

Mr Allardyce asked those in attendance to consider the minutes of the 46th Annual General Meeting located on pages five (5) to six (6) of the 2018 Annual Report. The minutes were accepted by Mr Geoff Adam, seconded by Mr John McGrath.

3. ACCEPTANCE OF FINANCIAL STATEMENTS AND OTHER REPORTS

3.1 President's Report

Mr Allardyce asked those in attendance to consider the President's Report, found on pages twenty-nine (29) and thirty (30). Mr Allardyce first commented on the financial report reporting a positive surplus of \$12 000 which he noted was an outstanding achievement from the 2018 Committee and staff considering the challenges faced throughout the year. Mr Allardyce commended the 2018 Committee and staff for their financial prudence. Mr Allardyce noted from the minutes of the 46th AGM a gesture from the Club to forgo a CPI increase on the grant from the Licence Club

for 2018 and 2019, a good will gesture to the Licence Club that recognised the challenging operating environment the Licence Club works in. Mr Allardyce reported the CPI increase forgone totalled \$24 000.

Mr Allardyce reported that he was proud of the off-field strategic objectives achieved by the Club, including the Club's work with the Licence Club and their Charity of the year, player welfare and support, the work with the Modified Rugby Program, the focus on women's and girls' Rugby resulting in the launch of the WRAP program, the initiation of an Indigenous Action Plan, the enhanced member experience at Viking Park and the Sports Bar (Zoo), the successful overseas tour to Singapore and the broadening of volunteers, sponsors and the Club's social media.

Mr Allardyce reported on the Club's on-field success, noting that the Club had won the ACT Club Championship, that all 6 grades had played in their Grand Final and that three (3) of those had won their Grand Final and that the Club had received awards for highest point scorer, volunteer of the year and other notable achievements.

Mr Allardyce reported that he had met with the other Club Presidents on the 13th of November and that they were all cooperating and working to improve Club Rugby.

Mr Allardyce concluded by thanking the Committee, staff, Licence Club Directors and Senior Management, sponsors players, support staff and their families.

3.1.1 Jim Shonk

Mr Jim Shonk asked Mr Allardyce how the Club could improve on its success from 2018. Mr Allardyce answered by noting that there were several young players progressing from the Colts to grade Rugby and that this would help the Club continue to see on-field success.

4. GENERAL BUSINESS

4.1 Brendan Allardyce

Mr Allardyce asked those in attendance to recall that at the 46th AGM Mr Adam had asked those in attendance to recognise several long-standing members to be recognised as life members. Mr Allardyce reported that it was a personal view that there was an injustice that Mr Sean Blackmore had not been recognised and that he should be considered for

2018 ANNUAL GENERAL MEETING MINUTES (CONT)

6

Life Membership. Mr Allardyce spoke for Mr Blackmore and his contribution as a member of the Club and that he should be commended for his service and dedication. Mr Russell Ott seconded the nomination for Life Membership. Those in attendance were asked to vote in favour for or against Mr Blackmore's nomination for Life Membership by secret ballot. Mr Bowden and Mr Boswell counted the votes and were scrutineered by Mr Graham Stripp. The results of the secret ballot were provided to Mr Allardyce, who thanked the counters and scrutineer. Mr Allardyce confirmed that the majority were in favour for Mr Blackmore receiving Life Membership and asked those in attendance to join him in congratulating Mr Blackmore.

5. ELECTION OF COMMITTEE MEMBERS

Mr Allardyce declared that those in attendance would now elect Committee members for 2019 and that all positions were vacant. Mr Allardyce then handed over the position of Chair to Mr Geoff Adam.

5.1 President

Mr Adam noted that there had been only one (1) nomination for President for 2019, the nominee being Mr Allardyce. As a result, Mr Allardyce was re-elected to President and resumed as Chair of the meeting.

5.2 Vice-President

Mr Allardyce noted that there had been only 1 nomination for Vice-President for 2019, the nominee being Mr Adam. As a result, Mr Adam was re-elected to Vice-President.

5.3 Treasurer

Mr Allardyce noted that there had been only 1 nomination for Treasurer for 2019, the nominee being Mr Slater. As a result, Mr Slater was re-elected to Treasurer.

5.4 Five Other Members

Mr Allardyce noted that there had been only four (4) nominations for five (5) positions for general Committee members and that as per the constitution those members are automatically elected. The 4 nominees were Mr Duane Petersen, Ms Stefanie Stewart-Jones, Mr Michael Henry and Mr David Grimmond. Mr Allardyce congratulated the nominees on their election to the Committee. Mr Allardyce noted that there was 1 vacancy on the Committee and that as per the constitution he would call for nominations off the floor. Mr Sean Blackmore nominated Mr Russell Ott for the vacant Committee position. Mr Ott accepted the nomination, seconded by Mr Jim Shonk. Mr Ott spoke to his nomination and requested that those in attendance elect him to serve on the Committee in 2019. Mr Allardyce then called for any other nominations from the floor, to which there were none. As the only nominee, Mr Ott was elected to the 2019 Committee.

6. CLOSE

Mr Allardyce thanks all those in attendance and closed the 47th AGM of the TVRUFC at 7:35pm.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Statement by Committee Members

The number of Committee meetings held during the year and the number of meetings attended by each Committee member were as follows:

Name	Role	Attended	Meetings entitled to attend	Total 2019 Meetings Held
Brendan Allardyce (Elect 21/11/2018)	President	12	12	12
Geoff Adam (Elect 21/11/2018)	Vice President	12	12	12
Ryan Slater (Elect 21/11/2018)	Treasurer	11	12	12
David Grimmond (Elect 21/11/2018)	Committee Member	12	12	12
Stefanie Stewart-Jones (Elect 21/11/2018)	Committee Member	7	12	12
Duane Petersen (Elect 21/11/2018)	Committee Member	10	12	12
Russell Ott (Elect 21/11/2018)	Committee Member	11	11	12
Michael Henry (Elect 21/11/2018)	Committee Member	11	12	12
Darren Mullaly (Res 21/11/2018)	Committee Member	0	1	12
Callum Smith	Club Captain	9	12	12

The principal activities of the club during the financial year were administering the playing of rugby union football by the club's members. No significant change to these activities occurred during the year.

The club's net surplus for the financial year was \$40,686 (2018: \$12,268 surplus).

Tuggeranong Valley Rugby Union Football Club Incorporated Year Ended 30 September 2019

Notes to the Financial Statements

Note 1: Corporate information

The financial statements of Tuggeranong Valley Rugby Union Football Club Incorporated (the "Club") for the year ended 30 September 2019 were authorised for issue on 2 November 2019. The Club is an association incorporated in Australia under the *Associations Incorporation Act (ACT) 1991*.

The nature of the operations and principal activities of the Club are described in the "Statement by Committee Members".

Note 2: Summary of Significant Accounting Policies

(a) Basis of Preparation

The financial report is a special purpose financial report which has been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board – Reduced Disclosure Requirement and the *Associations Incorporation Act (ACT) 1991*. The financial report has been prepared on the historical cost basis except for financial assets held for trading which are measured at fair value. The financial report is presented in Australian dollars and all values are rounded to the dollar unless otherwise stated.

b) New Accounting Standards and Interpretations

The Australian Accounting Standards Board (AASB) has issued a number of new and amended Accounting Standards that have mandatory application dates for the 2020 financial year, some of which are relevant to the Club. The applicable Accounting Standards and their impact that are relevant to the Club are set out below:

AASB 16: Leases (applicable to annual reporting periods beginning on or after 1 January 2019) This Standard replaced the previous accounting requirements applicable to leases in *AASB 117: Leases* and related Interpretations. AASB 16 introduces a single lessee accounting model that eliminates the requirement for leases to be classified as operating or finance leases.

The main changes introduced by the new standard are as follows:

- new lessee accounting requirements for leases at significantly below-market terms and conditions (commonly known as 'peppercorn leases') principally to enable the lessee to further its objectives. This requires the lessee to recognise the leased asset / right-of-use asset at fair value per AASB 13, the lease liability per AASB 117/AASB 16 and the residual as income (after related amounts) at the inception of the lease per AASB 1058; and
- recognition of a right-of-use asset and liability for all leases (excluding short-term leases with less than 12 months of tenure and leases relating to low-value assets);
- depreciation of right-of-use assets in line with *AASB 116: Property, Plant and Equipment* in profit or loss and unwinding of the liability in principal and interest components;
- inclusion of variable lease payments that depend on an index or a rate in the initial measurement of the lease liability using the index or rate at the commencement date;
- application of a practical expedient to permit a lessee to elect not to separate
- non-lease components and instead account for all components as a lease; and

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

- inclusion of additional disclosure requirements.

The transitional provisions of AASB 16 allow a lessee to either retrospectively apply the standard to comparatives in line with *AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors* or recognise the cumulative effect of retrospective application as an adjustment to opening equity on the date of initial application.

The Committee confirm that the adoption of AASB 16 has not and is unlikely to have a significant impact on the Club's financial statements given the short-term nature of the Club's lease arrangements.

AASB 1058: Income of Not-for-Profit Entities (applicable to annual reporting periods beginning on or after 1 January 2019)

This standard is applicable when an entity receives volunteer services or enters into other transactions where the consideration to acquire the asset is significantly less than the fair value of the asset principally to enable the Club to further its objectives.

The significant accounting requirements of AASB 1058 are as follows:

- Income arising from an excess of the initial carrying amount of an asset over the related amount being contributions by owners, increases in liabilities, decreases in assets and revenue should be immediately recognised in profit or loss. For this purpose, the assets, liabilities and revenue are to be measured in accordance with other applicable Standards.
- Liabilities should be recognised for the excess of the initial carrying amount of a financial asset (received in a transfer to enable the Club to acquire or construct a recognisable non-financial asset that is to be controlled by the Club) over any related amounts recognised in accordance with the applicable Standards. Income must be recognised in profit or loss when the Club satisfies its obligations under the transfer.
- A private sector not-for-profit entity may elect to recognise volunteer services or a class of volunteer services as an accounting policy choice if the fair value of those services can be measured reliably, whether or not the services would have been purchased if they had not been donated. Recognised volunteer services should be measured at fair value and any excess over the related amounts (such as contributions by owners or revenue) immediately recognised as income in profit or loss.

The transitional provisions of this Standard permit an entity to either: restate the contracts that existed in each prior period presented in accordance with AASB 108 (subject to certain practical expedients); or recognise the cumulative effect of retrospective application to incomplete contracts on the date of initial application. For this purpose, a completed contract is a contract or transaction for which the Club has recognised all of the income in accordance with AASB 1004 Contributions. The Committee confirm that the adoption of AASB 1058 has not and is unlikely to have a significant impact on the Club's financial statements.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

c) Cash and Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above.

d) Trade and Other Receivables

Trade receivables, which generally have 30-60 days terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for impairment.

Collectability of trade receivables is reviewed on an ongoing basis at an operating level. Individual debts that are known to be uncollectible are written off when identified. An impairment provision is recognised when there is objective evidence that the Club will not be able to collect the receivable. Financial difficulties of the debtor and default payments are considered objective evidence of impairment. The amount of the impairment loss is the receivable carrying amount compared to the present value of estimated future cash flows, discounted at the original effective interest rate.

e) Impairment of Assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

The Club conducts an annual internal review of asset values, which is used as a source of information to assess for any indicators of impairment. External factors, such as changes in expected future processes, technology and economic conditions, are also monitored to assess for indicators of impairment. If any indication of impairment exists, an estimate of the asset's recoverable amount is calculated.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount of property, plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits of the asset are not primarily dependent on the asset's ability to generate net cash inflows and where the club would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses are recognised in the statement of comprehensive income.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

f) Property, Plant and Equipment

Plant and equipment are carried at cost less accumulated depreciation and any accumulated impairment losses.

Notes to the Financial Statements (continued)

Depreciation is provided on a straight-line basis over the estimated useful life of the assets as follows:

- Equipment 5 years
- Scrum Machines 5 years
- Gymnasium Gear 5 years
- Car 5 years
- **Notes to the Financial Statements (continued)**

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each financial year end.

f) Property, Plant and Equipment (continued)

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

g) Trade and Other Payables

Trade payables and other payables are initially recognised at fair value and subsequently measured at amortised cost. These liabilities represent amounts for goods and services provided to the Club prior to the end of the financial year that are unpaid and arise when the Club becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

h) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Grants and sponsorships

Revenue is recognised when the Club's right to receive payment is established.

Sale of Goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

Rendering of Services

Where the outcome can be reliably measured:

- control of a right to be compensated for the services has been attained and the stage of completion can be reliably measured.
- revenue from goods and services is recognised by reference to stage of completion. Stage of completion is measured by reference to the right to be compensated for services being attained.

Where the outcome cannot be reliably measured:

- revenue is recognised only to the extent that costs have been incurred.

Interest

Revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

i) Taxes

Income Tax

As the Club is a non-profit organisation wholly directed towards sporting objectives, the Club is exempt from income tax under current Income Tax legislation, and no provision has been recognised for tax.

Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST except:

- When the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the Statement of Cash Flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority, are classified as operating cash flows. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

j) Inventories

Inventories are valued at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

k) Employee Leave Benefits

Wages, salaries, annual leave and sick leave

Liabilities for wages and salaries, including non-monetary benefits and annual leave expected to be settled within 12 months of the reporting date are recognised in provisions in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

l) Players' Welfare Fund

This account represents a reserve to provide financial assistance for the players' welfare.

m) Investments

Investments and financial assets are categorised as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired or originated. Designation is re-evaluated at each reporting date, but there are restrictions on reclassifying to other categories.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of assets not at fair value through profit or loss, directly attributable transaction costs.

Recognition and derecognition

All purchases and sales of financial assets are recognised on the trade date i.e., the date that the Club commits to purchase the asset. Financial assets are derecognised when the right to receive cash flows from the financial assets has expired or when the entity transfers substantially all the risks and rewards of the financial assets. If the entity neither retains nor transfers substantially all of the risks and rewards, it derecognises the asset if it has transferred control of the assets.

Subsequent measurement

(i) Financial assets at fair value through profit or loss

The Club's investment in shares are classified as held for trading and included in the category "financial assets at fair value through profit or loss". Financial assets are classified as held for trading if they are acquired for the purpose of selling in the near term with the intention of making a profit. Gains or losses on financial assets held for trading are recognised in profit or loss and the related assets are classified as current assets in the statement of financial position.

(ii) Available-for-sale financial assets

The Club's investment in a unit trust for the Bunnings Belconnen Site is designated as available-for-sale. After initial recognition available-for sale financial assets are measured at fair value with gains or losses being recognised as other comprehensive income until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is recognised in other operating income.

**Tuggeranong Valley Rugby Union Football Club Incorporated
Year Ended 30 September 2019**

Notes to the Financial Statements (continued)

Note 2: Summary of Significant Accounting Policies (cont'd)

The fair values of investments that are actively traded in organised financial markets are determined by reference to quoted market bid prices at the close of business on the reporting date. For investments with no active market, fair values are determined using valuation techniques. Such techniques include: using recent arm's length market transactions; reference to the current market value of another instrument that is substantially the same and discounted cash flow analysis; and option pricing models, making as much use of available and supportable market data as possible and keeping judgemental inputs to a minimum.

n) Provisions

Provisions are measured at the best estimate (including risks and uncertainties) of the expenditure required to settle present obligation, and reflects the present value of the expenditures required to settle the obligation where the time value of money is material. The committee has raised a provision for medical costs based on historical medical expenditure items in the last 3 years for injuries relating to the prior season.

o) Comparative amounts

Where necessary, the figures for the previous year have been reclassified and repositioned for consistency with current year disclosures.

Note 3: Significant accounting judgments, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances, the result of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant and equipment) and turnover policies. In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

Estimation of fair value for available for sale financial assets

The Club has made a significant judgement in the estimation of the fair value of its available for sale financial assets. The available for sale financial assets relate to the Club's investment in a unit trust for the Bunnings Belconnen Site. There is no active market for this investment and the

Note 12: Related Party Disclosures

(a) Details of Key Management Personnel

The Committee of the Club during the financial year were:

Brendan Allardyce (Elect 21/11/2018)	President
Geoff Adam (Elect 21/11/2018)	Vice-President
Ryan Slater (Elect 21/11/2018)	Treasurer
David Grimmond (Elect 21/11/2018)	Committee Member
Stefanie Stewart-Jones (Elect 21/11/2018)	Committee Member
Duane Petersen (Elect 21/11/2018)	Committee Member
Michael Henry (Elect 21/11/2018)	Committee Member
Russell Ott (Elect 21/11/2018)	Committee Member
Darren Mullaly (Res 21/11/2018)	Committee Member
Callum Smith	Club Captain

(b) Compensation of Key Management Personnel

There was no compensation of key management personnel during the financial year apart from a \$4,000 honorarium paid to the President (2018: \$4,000).

(c) Related Party Transactions

The Club acknowledges the related party relationship with the Tuggeranong Valley Rugby Union and Sports Club Limited (the Licensed Club).

The Committee do not consider that it exercises control over the Licensed Club as any management decisions made by the Licensed Club are independent of the Club.

The following related party transactions occurred during the financial year:

- Grants received from the Licensed Club totalled \$667,094 (2018: \$667,094).
- The Club received from the Licensed Club other minor incidental benefits such as free beverages during the year. All other transactions were on normal commercial terms and conditions.

Note 13: Commitments and contingencies

There are no commitments or contingencies at reporting date.

Note 14: Events after reporting date

Callum Smith resigned as Club Captain on the 21 October 2019 and was replaced by Joe Langtry per the constitution on 21 October 2019.

INDEPENDENT AUDITOR'S REPORT TO THE TUGGERANONG VALLEY RUGBY UNION FOOTBALL CLUB INCORPORATED

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of the Tuggeranong Valley Rugby Union Football Club Incorporated (*the Club*), which comprises the statement of financial position as at 30 September 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Statement by Committee Members.

In my opinion the financial report of the Tuggeranong Valley Rugby Union Football Club Incorporated has been prepared in accordance with Australian Accounting Standards and the *Associations Incorporation Act (ACT) 1991*, including:

- a) giving a true and fair view of the Club's financial position as at 30 September 2019 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards and the *Associations Incorporation Act (ACT) 1991*.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Club in accordance with the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants* (the *Code*) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the *Code*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis my opinion.

Responsibilities of Committee for the Financial Report

The Committee of the Club is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Associations Incorporation Act (ACT) 1991*, and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

The Committee is responsible for the Club’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit.

I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club’s internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Club.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Club regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including when considered necessary any significant deficiencies in internal control that I identify during my audit.

TREASURER'S REPORT

28

As my last year as treasurer of the Vikings Rugby Club, I have the positive news to report that the club produced another surplus in the 2018/2019 financial year of \$40,686. This result shows the continued strong frugal mindset of the committee while broadening our current rugby programs and providing an environment where both players and coaches can continue to succeed. Vikings rugby is now in a position where we are not only able to assist with our own senior programs but provide assistance and strong pathway into senior rugby. In 2019/2020 the club will introduce the satellite academy for local school aged children within the area and the widening of the Vikings senior rugby club to now also focus on the U15, U16, 18's development. While this will put an increased strain on the club's resources it is not only going to bring a long-term benefit to the club but the whole rugby community in Canberra.

In 2019, the committee again reached its budgeted turnover of over \$1 million. This is the second year in a row the club has been able to do this and is made more significant with no future rugby tour funds included in the 2019 revenue figures. The clubs Bunnings investment continues to perform well supplying the club a strong return on investment while the club's share continue to deliver an 8% return.

The club did see expenses fall in 2019, however this was mainly due to the club not going on tour in 2019 and the reduction in medical costs due the provision raised by the committee in 2018. In saying that, all medical associated expenses continue to be a strong burden on the club's bottom line as prices continue to rise in lieu of private health care rebates. The club however is committed to continue to provide the best medical policy for amateur sport in Australia.

On behalf of the Committee, I would like to thank all our sponsors in particular the Licensed Club for their continued support and commitment to the Vikings Rugby Club. It is the support from our sponsors and supporters that allow us to continue to operate in an environment that is one of the best in Australian Rugby in developing and providing pathways for players and coaches at all levels. I look forward to seeing the rugby club further develop these significant relationships into the future.

A special mention must also be made to our Rugby Manager Ryne Bowden who, in his second year has continued to work closely with all our sponsors to ensure both them and the rugby club can continue to benefit by working together. The rugby club is in a great position in securing the services of Ryne for another 2 years which I am sure will only continue to see the club prosper.

Lee Boswell is to be commended for his continued efforts both on and off the field. His job is very demanding with long hours and the playing groups on field performance can be put down to his strong work ethic.

I must also thank Nick Scrivener for his support and efforts during the year. While the performances on the field did not go our way in 2019 the current background work Scriv is doing currently is to be commended and I am sure 2020 will see the resurgence of Vikings rugby on field.

In closing, I would like to thank the continued support I have received from all the licensed clubs staff members and Directors, all Committee and rugby staff members. I have been a committee member for 7 years now and part of the executive for 6 of those. I have seen 3 coaching directors, 4 rugby managers and 2 Athletic performance managers come and go and all have left a positive impact on the club and myself as I hope I have done over the years.

As the saying goes, you always wish to leave a place in better hands than when you joined it. Although we didn't have the most successful year on the field as in previous years, I am very proud that we as a committee have been able to ensure positive cash flow and the continued development of our rugby program year on year.

Ryan Slater
Treasurer

PRESIDENT'S REPORT

29

On-Field, 2019 was a challenging season from wo to go. Despite the challenges, we are pleasingly, a club that does not makes excuses. Ultimately, it was an enormous credit to the resolve of the playing, coaching and support staff groups that by August, we had still placed ourselves in a position to compete in Semi-Finals and Grand Finals.

5 of 6 teams in Semi-Finals was pleasing, two teams both eliminated by penalty goals after the final siren, in semi and prelim finals was heartbreaking but then having our top two teams confidently into Grand Finals on the last weekend was looking very positive. Premier 2nd Grade were brave and never gave in, but lost a close Grand Final. Premier 1st Grade were agonisingly so close to back to back premierships but lost the JID Cup Grand Final by a solitary point, in a classic nail biter. A tough season, with some disappointments, but we as a club should still be very proud of our efforts in 2019.

Off-Field, we continue to be Canberra's most progressive club, the family club, the benchmark and pace setters. Our outstanding work with charities, community groups, sponsor partners, juniors and our members is all top shelf. We have very strong financial, strategic and operational platforms to meet future challenges and to ensure we remain the destination club. At the time of writing I am pleased to announce that despite significant medical and investment spends, we shall again record a small surplus of \$40K setting up our financial position strongly for the future.

As we have always done, we will regroup for 2020, review, retain, recruit and develop rugby talent to our exacting high standards and ensure that our tilt at winning 2020 silverware is both ferocious and dogged. We particularly look forward to the youth of our club driving us forward, from our very young 1st and 2nd Grade squads to a depth laden Colts squad, emerging ViQueens and in 2020, all of our Under 16s and 18s boys and girls aligning to the senior club. It will be an exciting off-season and pre-season, including our Fiji tour that will help set us up for a great season in 2020.

Thank you

Vikings Group and Sponsor Partners – it is not possible to run a best practice sporting club without the financial and in-kind support of all our sponsor partners, thank you.

Committee and Full Time Staff – we are very lucky to have a hard working committee and three outstanding professionals running our club, thanks to the 9 person committee and particularly to Nick Scrivener, Lee Boswell and Ryne Bowden, for all the tireless work to run our great club.

Coaches, Managers, Medical, S&C, trainers/strappers and general volunteers – We are spoilt with a legion of hardworking and positive people, the best in the business, thank you.

Old Boys, Members and our Junior Club – thank you for your involvement and support.

To all our players, thanks for the continuing blood, sweat and tears, you make us proud.

Have a great off-season and bring on 2020.

Brendan 'Trendy' Allardyce
Proud President

RUGBY MANAGER'S REPORT

30

What a whirlwind of a season! 2019 is finally behind us, although, it feels like only yesterday we were preparing for Round 1. We didn't quite get the chocolates in 2019, but there is still a lot for the Club to be proud of this year.

We were incredibly fortunate to be supported by a broad team of Sponsors and Partners, who aren't just loyal supporters of the Club, but genuine people with a love for Rugby and Vikings. In 2019, we welcomed back over 20 of our sponsors and partners from the previous year. We broadened our Platinum partnership, welcoming Rolfe Classic BMW, Slaven Mazda, O'Neills Sportswear, Capital Maintenance Solutions and Petherbridge Roofing to the Vikings Family. We also welcomed no fewer than 10 new sponsors as Silver Partners and Player Sponsors in 2019, a great testament to the diligent work by the Committee and Rugby Office.

Our Sponsors and Partners are the life blood of our Club. Their support helps our Rugby Club to provide for over 170 players and 50+ volunteers an unmatched environment when it comes to development opportunities, registration, medical support, apparel, equipment, facilities, social events and of course, an outstanding experience out on the pitch. From the entire Rugby Club, thank you again to our Sponsors for joining the Vikings Family in 2019.

We also enjoyed some fun times as a Community thanks to our diverse Events Calendar. Ladies Day was a huge success in its new venue and our annual Hagar's (Old Boys) Day was a fitting celebration for several teams that celebrated a milestone in 2019. The Marymead Charity Game raised over \$3000 for a fantastic cause and the playing kit donned by 1st Grade was once again a master stroke of ingenuity by the Kit Sub-Committee. Our Annual Sportsman's

Luncheon was one of our biggest and best, guest speakers Matty Johns, Dan McKellar and a host of Brumbies sharing their unique stories to make for a cracking afternoon. And our Presentation Night was a really special evening at Lanyon Vikings where several very deserved members of our Club were recognised for their enormous contributions on and off the field.

The most pleasing part of 2019 for me personally was finally seeing the Modified Rugby Program (MRP) commence at Vikings, making our Club the first outside of Queensland to host this incredible program. For those unaware of the MRP, it is a program that allows children with learning and perceptual difficulties to play a touch-only version of Rugby. The MRP taught the children all the basic skills of Rugby and allowed them to become a part of our Club and community. It was really special seeing the progression of the children and the confidence shown by their parents to allow them to play Rugby. A special mention must go to MRP Coach Ben Pratt who did an outstanding job running the program for the Club, we picked the right guy.

A very special thank you to our team of support staff and volunteers for their efforts in 2019. Each faced their own challenges this year but once again did a fantastic job to support the playing group through another season. Your work certainly doesn't go unnoticed and I am incredibly thankful to have you all at our Club, your passion for the Vikings and Rugby is infectious and the Club certainly couldn't function as seamlessly without you.

This was my first year at the Club not being involved as a player. Without the need to juggle my duties as a Rugby Manager and a player on a Saturday, I certainly saved myself a lot of stress and found a lot more time on my hands,

REPORT (CONT)

31

but I have definitely missed the thrills of playing, competing and a little sadistically, the rigours of training. Regardless, I have really enjoyed 2019 and all that we were able to achieve on and off the field as a Club. A special thank you to several people, for making sure I didn't miss a beat:

To Trendy, Geoff and Slats – the amount of support you have provided me this year has been fantastic. Your passion for Vikings, it's players, and its extended network is admirable and I hope that in years to come I can emulate the same level of tenacity you have for the Club's success. Thank you for helping me get the most out of my time here.

To the Committee – thank you for your work behind the scenes and your constant support despite your own commitments. I've had a lot of fun working with each of you this year and your ideas and initiatives are always welcomed and appreciated.

To Scriv and Bozzy – it would certainly make for a sour old time if we didn't get along. I'm very appreciative that I've been given the opportunity to work alongside two very professional and skilled people and I look forward to learning more from both of you.

Thanks for a great 2019, see you all in 2020.

Go Vikings!

Ryne Bowden
Rugby Administration Manager

DEVELOPMENT OFFICER'S REPORT

32

Sacrifice and hard work.....

These are two words that come to mind when I look back at 2019!

When I think back to the start of our Academy and JDS programmes in November 2018, I think about the new faces and the old faces that make the journey down to Viking Park to better themselves, to strengthen bonds and to build on our Rugby community.

Results are rewarded in different forms! Self-satisfaction, recognition from your peers, positive outcomes. There are times when trophies reflect the hard work, and then there's times when the sacrifices aren't rewarded with trophies! Either way the undercurrent of our great club will continue to build no matter what we face.

With a strong contingent of local talent mixed with some Stannis horse power we are paving the way forward for the next generation, and the next wave of recruitment will also see us in a strong space to continue to "Raise the Bar".

JUNIORS

Our Juniors stood at the top of the Club scene this year, and continue to impress in a great year for the young Vikings. We stood shoulder to shoulder with the two strongest Rugby schools in Canberra, St Edmunds and Marist. Over the year some of the highlights were our U9's and the U14s girls, who showed some great results and went on to win their respective Grand finals along with the Div.3 U11's, Div.2 U12's and the Div.3 U15's. Our Div.2 U13's, Div.1 U14's and the Div.1 U16's where unlucky on the day but did themselves and the Club very proud.

What makes these achievements memorable are that we equalled St Edmunds and Marist in their representation for teams in a GF and wins!

Marist had 8 teams in with 4 wins, 4 losses. St Edmunds had 7 teams in with 5 wins, 2 losses, and we had 8 teams in with 5 wins, 3 losses. The next best were Wests with 7 teams in with 4 wins, 3 losses and Qbn and Gungahlin had 4 teams in with no wins.

Our Junior Club and their hardworking committee continue to strive to keep participation and inclusiveness at its core and this is reflected in all of our age groups from U8s through to U18s with boys and girls across the age groups. A big

congrats to Andrew Henderson on being awarded a life membership to the Junior Club! This is a great reflection on Hendo's dedication to the Juniors, his energy and his passion. To all the Junior committee, Coach's, Managers, First aiders and Volunteers, a big congrats to you all for a stellar year.

SCHOOLS

The local school scene in the Valley is still going strong. With our work in the local high schools and colleges I had started to see the faces from these schools turn up in our 15's, 16's and 18's numbers.

Erindale College Rugby TSP continues to be the leader in Rugby development and opportunities to play against a higher standard in the Valley. Although the powers that be in the NSW schools' systems attempt to road block opportunities we have still been able to source opportunities for the boys and girls to play against some formidable opponents.

The relationships formed with the teaching staff at the respective schools continues to build! With Mark and Daniel at Erindale, Dom and Matt at Mckillop, Denzil and Trent at St Edmunds and Madeleine at Wanniasa, who are all running fantastic programmes within their schools that we are very fortunate to be involved with. I look forward to continued growth and prosperity in the future.

Our plan going forward is to establish more relationships with Valley schools, to continue to work alongside the Brumbies programmes and continue to give our local kids a great pathway and environment right in their own backyard.

RUGBY PROGRAMMES

This coming year we will look to grow our Junior Development Pathways to greater heights! Building on the past 6 years of the JDS we will look to add more resources and Senior involvement into the older age groups, extend our coaching assistance into the U13 and U12 age groups, and continue to provide coaching resources and sessions for the Junior coaching cohort.

Along with these initiatives we will add to our Rugby programmes the "Satellite Squad", an opportunity for us to showcase our professionalism to those elite level school-based Valley players. This will run parallel to our already successful "WRAP" and "V-Academy" programmes.

REPORT (CONT)

33

The more opportunities that our Club can provide to enhance participants skill sets will only bare great fruit in the years to come, not only for our Club but also for our region.

These programmes cannot operate without GREAT people and GREAT sponsors! I'd like to thank those that have assisted greatly in these programmes. To Travis Pula, who has been a massive resource that I have been able to lean on throughout the JDS and U18s this year! Thanks mate.

To Andrew Henderson and Ant Davies for their ongoing assistance with the JDS programme, two great blokes to have around and two great representatives from the Junior Club. To Stef Stewart-Jones and Peta Leddy for their drive and commitment in propping up and supporting our WRAP programme, many thanks ladies. To Rich Locke and Albert Mahanga for your continued and valued work with the V-Academy programme, we are very fortunate and lucky to have you part of our Vikings family. And lastly to Dave Mailau and NCG Global - without thier ongoing support of our Club and development pathways we would not be able to add the level of professionalism to what we do, it is and always will be greatly appreciated.

REPRESENTATIVE HONOURS

Another year on and we are continuing to see more of our Juniors and Seniors recognised in the higher levels of representative Rugby, from ACT to Australian.

From the likes of young Wally Wentzal in the U14s to his older brother Jake from the U16s alongside some of his fellow team mates in Zac Scott, Josh Weir, Matt Levika, Andrew Soulo, Ranier Abel and Ollie Faitua. Daryl Baily was selected for the second year in a row into the ACT Schoolboys and the ACT U18s.

In our Colts age group, we saw a raft of our boys selected into the ACT U18's and U19s. The likes of Tom Hooper, Jed Englert Reece Chin, John Madjaga, TJ Sione, TJ Ikatau, Tom Brewar and Turi Hides.

Cooper Takaeta and Jack Wright made their debuts for the ACT Griffins this year as well. Also, to Seamus Smith, Tom Hooper and Billy Carberry who made appearances for the Brumby Runners earlier in the year.

On the National U20s scene we saw Noah Lolesio and Lachlan Lonerger represent our Club and Country at the

Junior World Cup, a notable mention to Seamus Smith who narrowly missed out on the final cut! But non the less a great achievement.

To Our ViQueens who represented in the second year of the Super W. Congrats to Stef Stewart-Jones, Peta Cox, Emily Sogal, Remi Wilton, Taylor Stanford, Shellie Milward and Michaela Leonard. To Shellie and Michaela, a big congrats on representing our Club and Country with the Wallaroos this year.

To Angus Wagner, Lachlan Lonerger, Darcy Swain, Luke Gersekowski, Angus Allen, Seamus Smith, Ryan Lonerger, Joe Powell, Noah Lolesio, Len Ikitau and Andrew Robinson for their selection into this years NRC Canberra Vikings, congrats lads on the recognition of your hard work and efforts.

THE WRAP UP

2019 has been tucked in and kissed good night! We will dream of new things and greater heights as we lay passage into the 2020 season, with bright things on the horizon we will continue to underpin all we do with sacrifice and hard work and an unrelenting desire to always "RAISE THE BAR"

I'd like to again thank all of the committee for their passion for our great Club! It is what drives me to continue to be better, to chase the best results and strive for a better place to be a part of.

To Bowdo, thanks for being a champion of a bloke! For always making the workplace a thoroughly enjoyable place to lob up to everyday and for your high standard of professionalism.

To Scrivy, for constantly showing the way forward and bringing a high standard of passion and drive into this season, even amongst some challenging times.

Well...Let's get it on and get the job done.

Cheers Y'all.

COACHING DIRECTOR REPORT

35

COACHING

2019 presented significant challenges for the club, especially given the successes of 2018. First and foremost was to identify the successful areas that underpin our program that we could continue and enhance and identify other areas where we felt change was necessary to continue to 'Raise The Bar'. One of these areas was in our coaching set up which we restructured with new additions in Robbie Kydd and James Foster doing colts, Gav Sinclair and Grant Lukins running 3rds and 4ths ably assisted by Freddie Pitasi, Matt Wafer and others, Brendan Allardyce moving from Colts to 2nd grade Head Coach assisted by Lix Lealifano, Duane Peterson and Beau Mokotupu. The Vi-Queens were led by Head Coach Graham Reed, assisted by Geoff Adam and Peter Hawke. We also appointed a club skills coach in Pat Langtry who was a very valuable addition. These new coaching appointments were in addition to existing 1st grade assistant coach Gareth Clouston, and seniors forwards/scrum coach Brett Naylor. I'm very pleased to report that the new coaching regime at the club did a wonderful job and exemplified the rugby club's ongoing commitment to providing top quality coaching resources for all of our players.

SUPPORT STAFF

Similarly, the other support staff we have at Vikings are second to none. From team Managers, assistant Managers and others who generally help out we are blessed with the time and effort these people give our club every week. They are the first to arrive and the last to leave every session, every game, every week - our rugby club could not survive without them and while they often do not get recognition, our volunteers are the lifeblood of the club.

MEDICAL

This year we had 51 players play first grade and even more play 2nd grade - this is significantly more than what is normally considered a high turnover year. The professionalism and dedication of our medical team - Doc Pete Cole, Doc Ewen Bradbury, Physio Kate Wafer, our trainers Richard Lock, Damien Davies, Andrew Glew, Colleen Gould, Peter Hawke, Laura King and Chrisy Richardson continues to be one of the great points of difference for our club. In addition to their face to face interactions, they spend countless hours behind the scenes communicating with the rugby staff so the players have every opportunity to get diagnosed, treated,

rehabilitated and back onto the field. As an example, on our group medical WhatsApp chat with Dr Pete Cole, Dr Ewen Bradbury, Kate Wafer, Lee Boswell and myself, we had over 1700 different conversations as they reported injuries, organised scans, discussed rehab plans etc..!

STRENGTH AND CONDITIONING

Again, the strength and conditioning program available to players at the Vikings was first class. Our players are well prepared and given every opportunity to maximise their physical development. Lee Boswell was in charge of the Strength and Conditioning program throughout the off season, pre-season and in season phases. Lee was ably supported by Richard Lock. An enormous amount of work is put in by Lee in the senior club assessing workloads, interpreting GPS data and programming the various strength phases throughout the season - all to get our players in the best shape they can be in the big games. In addition, Lee works tirelessly across all programs in juniors to ensure the next generation of Vikings are identified and well prepared. The work of Richard and others in the rehabilitation of injured players and also providing skills coaching for the lower grades was greatly appreciated by everyone.

The focus again this year was the notion of 'one club', that everyone was valued and every player and every team had an important role to make the club as good as it could be. While club spirit cannot always be measured, I think the philosophy of "Club, Team, Me" stood us in good stead when we were under pressure and played a crucial part in the on-field success of the club. Due to the massive injury toll sustained during the season, it was the lower grade players and colts who had to step up and often play double games so we could field teams. Their commitment to the club was outstanding as week after week they turned up, rolled their sleeves up and got on with it.

I would also like to thank Ryne Bowden for his hard work behind the scenes this year. The hard work Lee and Ryne put in behind the scenes to keep Vikings running efficiently is a testament to their professionalism and dedication to our rugby club. The ability of Ryne to deal with the many unexpected challenges that arise on a day to day basis in a large sporting club is crucial to making our club the best it can be.

REPORT (CONT)

36

SPONSORS

To all of our sponsors, thank you. The quality of our rugby programs and the success of the club this year simply wouldn't happen without the assistance of our sponsors.

We are fortunate at Vikings that our partners are more than financial partners, they care deeply about the club and are a very important part of the Vikings family. On behalf of all of us at Vikings, a very big thank you again and we look forward to continuing these relationships.

1ST GRADE

In terms of the 1st Grade Season, the pain of losing a Grand Final by 1 point will never be extinguished.

However, there were so many positives, including having both 1st grade and 2nd grade in the Grand Final. Having 51 players play and experience 1st grade will be a huge blessing in disguise for our club in years to come. This year also illustrated more than anything that we are a club that gives young players opportunities to step up if needed - we had 7 colts aged players involved in the 1st grade grand final.

This should be great motivation for everyone aspiring to play up the grades and for the older more experienced players to set the standards and lead the way - at the end of the day we want our players not to just be happy to be in first grade, but to do whatever they can to be very good first grade players. In terms of the rugby, we played some magnificent footy this year. We were challenged and our resilience was tested in what is a very good 1st grade competition, however after some early setbacks we knuckled down and had a very good run of 9 games without loss in the middle of the season which ultimately sealed our Minor Premiership.

In terms of results, we finished the total season with 11 wins, 2 draws and 4 losses (all of which by 8 points or less). We came up short in the Grand Final, however there was a lot to be proud of.

We won the Minor Premiership, we finished the year with the Bob Hitchcock Shield and we won back the Wal Scollen Cup against Royals.

I would like to thank the Committee for their support this year. The Committee work hard behind the scenes on various fronts

to provide an environment at our rugby club which is inclusive, enjoyable for everyone and ultimately successful. In particular, thank you to Brendan Allardyce as President and 2nd grade coach for his support and being a fantastic sounding board.

I would also like to thank the players who represent us all every Saturday. We have a wonderful group of men and women at our club. We welcomed new players this year, many from the country and they all bought into what we are doing here and added significantly to the fabric of the rugby club. We are blessed to have good rugby players but also outstanding people who wear our colours every weekend and who also form a very close-knit playing group.

Lastly, we look forward to next season. Plans are well underway to make improvements in all aspects of our program. We will embark on an off-season Academy program in early November. We will travel on an overseas preseason tour to Fiji involving two games in early March which will give us a fantastic springboard into the season. We have plans to become a lot more involved in the U16s and U18s age groups to provide a greater link and pathway to the senior club. Many people on many fronts are working hard to make being involved with the Tuggeranong Vikings a wonderful and rewarding experience for players, staff, sponsors and supporters.

The pain of coming so close but ultimately missing the opportunity to become Club Champions and Premiers will drive us in our pursuit of excellence and I look forward to working with everyone to ensure our club continues to be successful.

Go Vikings - Club, Team, Me.

Nick Scrivener

2ND GRADE REPORT

38

The 2019 Vikings Reserve Grade (the scooby-dos, reggies, dirty 2s, twosa paloozas) were a pleasure to work with. A large playing group with a mix of old and young embraced the squad mentality and apart from some very close losses to the undefeated Gungahlin 2nds, were able to win every other game to be the best offensive and defensive team in the competition.

We had such a mix – several veterans with over 200 games for the club, 18 year old colts in their 1st year for the club, aspirational players that rose to the challenge from previously being in lower grades.

We had a very positive atmosphere and climate within the team and the coaches kept encouraging 2nd grade to play like 1st graders who just happen to be stuck in 2nds – we also asked them to work harder than their opponent and do the simple things well - boy did they respond.

We used 51 players and funnily enough averaged 51 points per game to be an attacking machine. We met every target and finished the year 2nd (with daylight 3rd). Our best performance of the year, was undoubtedly the Major Semi Final when we brutally and clinically defeated the previously undefeated Eagles scoring almost 50 points to storm into the GF. It's true we couldn't repeat it two weeks later and although brave, we just couldn't quite topple a truly amazing Eagles 2nds GF outfit. Despite the GF loss, it was still a high performing and enjoyable year.

Thank you's – thanks to all coaches, especially Scriv, Gareth and Nayls for their guidance and work rate from above and particularly to Lix, Duane and Moka – legends of the club. Moka was an occasional helper often coaching from home, Duane was present the vast majority of the time and has a great relationship with the players and has been an awesome support to me. Lix was enormous – he is a very talented backs and potential head coach honing his craft, whom the players respect enormously. Well done gents.

To our managers – Ian Chattin, Peter Chapman (and when possible Sean Blackmore). Thanks gents for your positive player-centred can-do approach. In particular Chats – a veracious work ethic, leaving no stone unturned in player care. Thanks also to our full time staff, Bowdo for admin and Boz and Rich for S&C, our medical staff and trainers/strappers as always, but particularly to Laura King (physio) who was on the sideline for every 2nd grade game.

Congratulations to our award winners

Coaches Award

Ethan Brazel - Accepted the challenges and worked hard as a great team man.

Players Player

Richard Joyes - The evergreen veteran was the heart and soul of the team and someone the boys loved following.

Best and Fairest

Seamus Smith - A sensational young captain who dominated the competition.

Thanks to all for an enjoyable year.

Brendan 'Trendy' Allardyce 2nd Grade Coach

COLTS REPORT

40

The Colts were a relatively young and inexperienced team in 2019 but also a very talented one. We started the season promisingly going unbeaten through the first four games with a couple of good wins against Gunghalin and eventual winners Queanbeyan. The early success no doubt built around the simple fact that we were fitter than the opposition, a big thanks and well done to Boz and Rich and the work they did in preseason for ensuring this. The lopsided makeup of the competition was evident very early in the season and it was apparent that only three teams were going to pose an issue for the colts; Royals, Queanbeyan and Gunghalin.

Injuries and call ups to higher grades impacted the Colts midseason and we suffered some close and hardfought losses against the three big guns. The years highlight was going undefeated at home during the regular season culminating with our best performance of the year vs Royals in the last round, winning by 30. However, looking back the turning point came against our away match vs Queanbeyan a few rounds earlier where we lead 19-3 just before 1/2 time but went on to lose not just the match but also our ability to finish in the top 2 which ultimately may have contributed to our 4th place finish, which whilst 4th was disappointing was probably a fair reflection of our season. The boys went down fighting in their semi-final vs Queanbeyan where they led for $\frac{3}{4}$ of the match but failed to convert a wealth of possession into points and lost on the final siren to a penalty kick; heartbreaking stuff but no doubt invaluable experience for the young team moving forward.

A big thanks to Brownny, Dave and especially the human salmon Foz for all the time and work they put in throughout the year, we had a lot of laughs and good times, mainly at the expense of Brownny. Also Scriv, Trendy and Langers for all the support and coaching the Colts and coaches received. Thanks also to the many support staff.

The Colts for 2020 will no doubt be stronger and wiser for the lessons of this year and the fact the squad is only losing a handful of players means next year's squad will be inherently more experienced and capable of delivering silverware.

Congratulations to our award winners

3RD GRADE REPORT

42

The 2019 season was long and very tough for the Vikings third grade side. At times we struggled to pull together enough players. We relied heavily on fourth grade for assistance in making up the numbers when needed. Despite this the boys showed enthusiasm, energy and commitment to make it through the season finishing in seventh place, just shy of finals.

We started the season with a strong win at home against Gungahlin, 22-0. We also secured a convincing win against Easts, 69-0. We had a number of draws throughout the season, which didn't help us on the ladder. The team travelled away to play games against Cooma and Goulburn, sharing lots of laughs on the bus trips back to Canberra. Unfortunately, we didn't make finals this year but we finished the way we started with a hard-earned win against Wests 36-26.

This season we also celebrated several milestones. Cameron Shaw played his 100th senior level game against Easts. Andrew Dickson received the highest point scorer award and also reached 2500 points all-time for the Club, a total unlikely to be beaten for a long time! Also to Ryan Slater who played his 200th game for the Club in unspectacular circumstances.

Thank you to all the players including those in fourth grade who helped us out. I also want to thank Freddie Pitasi, Brendan Montgomery, Grant Lukins and Matt Wafer for supporting me and helping coach the team.

I have no doubt that third grade will bounce back and have lots of success in 2020.

Gavin Sinclair
3rd Grade Head Coach

4TH GRADE REPORT

44

A very different season for Fourth Grade. While many of the score lines looked like the dominant team of the past few years was at it again these results came from a lot more hard work and effort than previously required. A mass of injuries and other obstacles meant that our lower grades had to have a squad mentality when it came to fielding teams in Threes and Fours this year. This lack of players meant many backing up to play two games per weekend for the entire season. This took its toll on bodies old and young and in the end a single point after the bell was enough to keep us from the big dance and another shot at eventual champions Queanbeyan who had just beaten us by three points the weekend before.

Although it was a tough year and not the result we were after, this season was not without its rewards. Highlights were many and varied. Watching several of last years Fourth grade alumni graduate to higher grades, including one game where four players on the field for Ones had strapped on the boots for Fours last year is always great to see. There was Ryan Slater's 200th game which, despite a plethora of tries and his celebration at the zoo that night, has gone down as only the second best 200th game of all time (thanks Dave Paull). Andrew Chewy Dickson scored his 2500th point and secured his spot as both the clubs greatest all time point scorer and club legend. And who could forget Kaleb "Cadbury" Dalla Costa single handedly ruining the boat race in hall but redeeming himself later in the year by carrying the team with his vocal prowess in the red faced competition.

Beyond individual success, this year was about the team working for each other. Many players played out of position to cover their teammates throughout the year including appearances at both Halfback and Fly Half by a strong and skillfull loose forward who is more known for hanging around the Centres than playing in these vital roles. Perhaps however, the greatest example of this was "that day" in Cooma when 16 blokes played beyond what anyone thought was possible. Following players like Matt "The self appointed Snow Plow" Wafer and Geoff "Ogre" Adams lead, the boys dug deep and put on an outstanding display of rugby toughness and earned the respect of all present. They later built on that by taking out the previously undefeated boat race team (Cadbury was not invited to participate).

I cannot thank those who turned up week in week out enough. From players to support staff, we have worked together to get the most out of this season and can certainly walk away with our heads held high. A massive thank you to Mick Bryant who jumped in to help us out when we needed him most, Gav Sinclair, Matt Wafer and Ryan Slater for their help running the show throughout the year and the trainers and Physio's who keep us held together. It of course goes without saying that our greatest thanks go to our loved ones who not only facilitate but often actively encourage us to get out there and run around with our mates and cause physical harm to each other.

In what will most likely be my last full year at the helm of the mighty Fours I would like to thank everyone that has been a part of my journey with this club. From a spritely 6-year-old playing in under 7's, through to a broken old man "running" around with his mates this year, I've experienced it all while wearing the Red and White. Grand final wins in undefeated seasons, devastating years full of losses, injuries, comebacks, and all the nights having a drink and reliving it all. Rugby is a hell of a game and this is one hell of a club to play it at. We are Vikings, we are Proud!

Grant Lukins

VI-QUEENS REPORT

46

After the great Premiership success of 2018, 2019 looked on paper to be a strong season for the Viqueens. With nine players selected for the Brumbies Super W squad and a number of younger players joining the squad during pre-season we were hopeful of another good season. However with season ending injuries and retirements to key players we soon realized that the season was not going to be easy.

Pre-season focus was on key personal skills and strength in contact as we now had a group of ladies coming into grade for the first time. Our approach was very much to develop the newer players rather than progress the experienced ones. I would like to thank my assistant coach Peter Hawke for his efforts in designing and implementing core drills at trainings which further helped develop the newer players.

With the Representative season running during the early months of the season it was very hard to design a squad training program. The commitments of our rep players and at times a shortage of other player numbers at trainings resulted in a very disjointed start to the season. We competed very well in the pre-season tens competition and had some success over Sydney teams at the Kiama sevens. Thanks to Geoff Adam for driving the bus and helping us with coaching during the season as well.

During 2019 season, 25 players were given the opportunity to start in the Viqueens squad. However due to ongoing injuries and unavailability we seldom had more than fifteen able to play and most times less than that. To the ladies credit we competed with success against all the other Clubs during the main season. Our approach to matches was a little different in that we were developing players on a Saturday rather than at trainings during the week. The players showed great pride and spirit to win matches on several occasions when we had far less players available than our opposition. Our early matches in the finals once again saw us suffer from yet more injuries and in the end we simply ran out of players to be a serious threat to the top teams.

I would like to thank all the players for their attitude during matches; they showed enough rugby ability as a team to scare all of our opposition and given a little luck our results could have been very different.

We had two ladies represent at the national level with Michaela Leonard and Shellie Milward both selected for the Wallaroos in 2019. Ema Masi and Remi Wilton were selected for the Uni 7's squad.

The team and I were fortunate to have the support of many people during the season and it is important that the team recognise their efforts.

Peta Leddy who assisted me as team manager for the season was once again a major driving force behind the team. Her relationships with the players, work ethic and professionalism and determination to play again after injury were key factors in the team's successes.

Thanks to Ryne, Nick and Lee who were all supportive and understanding of our needs during the 2019 season.

Our medical support staff including Doc, Kate, Colleen Gould and Damien Davies, and all the staff associated once again provided the best professional services to the team that could be asked for.

Lastly thanks to the two major groups involved with the Viqueens. Our supporters who this season were great in their efforts to support and at times lift the team to victory and the players themselves who throughout the season all contributed greatly. Thank you for your friendships, your continued commitment, and your enthusiasm for the game and the Vikings Rugby Club.

JUNIOR PRESIDENT'S REPORT

54

A fantastic year for Rugby in the Capital with the Brumbies having a strong season finishing on top of the Australian conference rankings and just falling short of a berth in the Grand Final, our Canberra Vikings doing us proud in the National Rugby Championship late last year, even the Wallabies recorded a historic victory over the All Blacks and our senior Vikings club leading the way in local rugby just falling short by one point in the ACT Premier Rugby 1st Grade final. Our own Viking Junior Boys and Girls took to the field in strong numbers and continue to lead the charge in 2019. 17 Vikings teams took to the paddock from our little champions in the Under 7s Walla Rugby format through to our young men in the Under 18s and 2 teams in our Girls competition in the Under 14 and 16 age groups.

This year the ACT Junior Rugby Union introduced a new system which was to entice teams to test themselves in the top division. Vikings have always challenged ourselves in the top division but this new system would result in most of our teams qualifying for finals in their respective age groups. This meant for a tough season for some but most exceeded expectations with only a couple of teams being relegated at the mid-season break but most held strong and competed well throughout the year.

In a season wrap-up; we had 12 teams eligible for finals, 11 qualify for semi-finals and following a successful day at Gowrie we had 8 of these teams advancing to their respective grand finals, this was the strongest number of teams represented by any school or club, a fantastic achievement by our amazing coaching staff and team officials. At Viking Park for the grand final weekend we had a terrific start by the Under 9s winning their Division 1 final in emphatic style before the Under 14s and 16s fell short in their attempt at Division 1 glory. That was just the Saturday! The Sunday morning had our Under 11s kick off the day with a win in the 3rd Division final

followed by the Under 12s winning their Division 2 grand final. The Under 13s were to follow and after a disastrous lead up to their final which saw a number of injuries, illnesses and unavailability to key players were extremely unlucky to fall short in their Division 2 final by 1 point. The Under 14 Girls were hunting for back to back glory in their Division 1 final and managed to pull victory from the jaws of defeat after stripping the ball off a Cooma player in a game winning position to have the eventual man of the match, try scoring extraordinaire Lara Cosgrove, run full length of the field to win the game at the other end to record their back to back titles in the competition. The Under 15 Boys were the last to take the field for their grand final and after a quality game which saw a tight tussle on the scoreboard and the Cooma side only needing to kick the ball out to win the game only for our boys to retrieve the ball and score in the corner to win the game and secure victory with the conversion completing a successful grand final weekend which saw us win 5 titles and finish the strongest club in the ACT Junior Rugby Union for 2019.

From a club perspective the year had its challenges, but once again, a small group of dedicated committee members have allowed for the season to be as successful as it was. Some of the clubs' endeavors were the Gala Day in April which continues to grow and is anticipated by most clubs in Canberra and the surrounding regions as a great chance to shake off the cobwebs and get out on the paddock. Our Trivia Night was a great social event and a valuable fundraising opportunity for the club, spearheaded by a number of our dedicated committee members.

The club has once again been well supported by the Vikings Group and Vikings senior rugby club along with our major sponsors CFR Electrical and Makwara Solutions. Also receiving support from Callida Consulting, Michael Thompson Photography and our awesome coffee lady Anna Gatdula with Coffee Loco.

REPORT (CONT)

55

The monies received through sponsorship allow us to keep player fees at an affordable level and keep rugby a viable option for families in our area and beyond and the support is greatly appreciated!

The club is very grateful to the Vikings premier rugby club committee and staff for assisting us in coaching and player development, as well as their involvement in behind the scenes movements within the club. In particular, I'd like to thank Brendan Allardyce and Ryne Bowden for their insight and support at the committee level, as well as Nick Scrivener and Lee Boswell for their efforts with the ever expanding Junior Development Squad program and support for our coaches and for all of the senior players who took time out of their busy schedules to help out with our teams; whether it was attending a training session, jersey presentations and supporting at the games, your involvement is invaluable for our players and greatly appreciated by all.

For all our volunteers who have assisted and contributed to this great club in every aspect from cooking the bbq or setting up and packing down the fields to coordinating major events, our amazing team officials who provide first aid, team management and coaching for our teams or to the few but fierce group of champions who have taken on the crucial committee roles, a massive thank you is owed to you all and know that this year would never be the success it has been without your tireless and diligent efforts. Special mention to our committee members; Anthony Davies - Club Vice President, champion coach and my right hand man, Dereck Honeysett - Club Vice President and Under 12s coach, Fiona Lonergan - a tireless secretary, fantastic trivia night coordinator and all round legend, Tania Honeysett - registrar, team manager and "everywhere" lady, Melinda Davies - our website design and Facebook guru, Lauren Webb - our tireless canteen manager, Justin Annetts and Rebecca Cotter taking on the First Aid team and doing a great job in

a challenging position, Sandi Grant for overseeing all our financial movements as Treasurer and also one of our major sponsors of the club with Bruce at CFR Electrical and Kimalee Ramsden for stepping up to the merchandise managers role and doing a fantastic job. You are all amazing people and have given above and beyond what is expected and our club is lucky to have you all leading the way for Vikings Junior Rugby!

This will be my last year as President and I've been blessed to have met so many great people in our community! It has been a humbling experience for me to be an influence in our next generation and I encourage everyone to get involved in the committee and add some real value to our young people's lives. I look forward to the future for our club and hope for a bigger and better 2020 with registration opening early next year. Go you mighty Vikings!!

Yours in rugby,

Andrew Henderson
